HOROSCOPES *by Stella Wilder*

YOUR BIRTHDAY by Stella Wilder

Born today, you are likely to enjoy almost every imaginable lucky break in your lifetime. The catch, of course, is that you must always watch for these breaks and respond to them appropriately if you're going to take full advantage of them. This means, of course, that awareness is the key to your success. Your own readiness to pounce upon opportunities as they are presented to you will make the difference between dreams deferred and dreams that come true. You must never go through a day without considering what is possible and what you might do about it!

WEDNESDAY, FEBRUARY 20

PISCES (Feb. 19-March 20) -- You'll be searching for something that only recently went missing. The fact that you're in familiar territory will work in your favor.

ARIES (March 21-April 19) -- Routine affairs take on renewed importance today. You'll want to pay close attention to how things pan out for someone you know.

TAURUS (April 20-May 20) -- A current task is more difficult than expected, but you'll be in for a great deal more work if you don't get it done today ahead of schedule.

GEMINI (May 21-June 20) -- Something happens today that has you assessing a new and different situation. You don't want to make changes, but what choice do you have?

CANCER (June 21-July 22) -- A major issue resurfaces today, and you know just what to do to keep yourself from falling prey to those who may be out to get you.

LEO (July 23-Aug. 22) -- A complication slows you down somewhat today, but your efficiency is restored before nightfall. You may have to pass judgment on a friend.

VIRGO (Aug. 23-Sept. 22) -- A question of style must be addressed today. Someone close to you is eager to see you improve your overall presentation; you can do just that.

LIBRA (Sept. 23-Oct. 22) -- You may be able to quiet the uproar over something that you had little to do with at the outset. Others are likely to listen carefully.

SCORPIO (Oct. 23-Nov. 21) -- You and a friend are moving in different directions right now, but today you can come together to assist a third party who needs your help.

SAGITTARIUS (Nov. 22-Dec. 21) -- You may not be able to do everything on the docket today, but what you do get done will win praise from those who can open doors for you.

CAPRICORN (Dec. 22-Jan. 19) -- Pay close attention to what you hear through the grapevine; it may not be true, but it will give an indication of what others are thinking.

AQUARIUS (Jan. 20-Feb. 18) -- You may be more emotional about certain issues today than usual. You want to hang on to certain things in order to maintain ties to the past.
