CALIFORNIA! SACRAMENTO VALLEY IRRIGATED LANDS.

Going to California? Looking for irrigated lands? If so, stop at Willows, Glenn County, on the main line of the Southern Pacific Railroad, where the representatives of the Sacramento Valley Irrigation Company will afford you every opportunity to see the greatest irrigation project in America. You will see the first awakening of the GREAT VALLEY. Many millions of dollars of increased values will be made there within a few years. Will you share them?

This project is financed by J. S. and W. S. Kuhn, Incorporated, bankers of Pittsburg, Pa., who so successfully developed the TWIN FALLS NORTH SIDE PROJECT, TWIN FALLS SALMON RIVER PROJECT, and THE TWIN FALLS OAKLEY PROJECT in Southern Idaho, comprising in all 200,000 acres.

The same opportunities for money-making that were given in Idaho will be seized by many in the Sacramento Valley Project.

Price of land $125 per acre with water right.

Very easy terms. Cash payment of only $15 per acre, other payments extending over 10 years.
