Huge Meat Supply Going to Britain

Washington, July 14 — (U.P.) — The United Kingdom probably will receive about 250,000,000 pounds of meat from the United States during the last three months of 1945, the agriculture department said today.

A spokesman for the British ministry of food in London reported earlier that the U. S. has promised to ship that quantity of meat.

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.
