HOROSCOPES *by Stella Wilder*

YOUR BIRTHDAY by Stella Wilder

Born today, you know how to make the best of almost any situation in which you may find yourself, and you can lead others through difficulties as well so that everyone -- yourself and all your allies -- can enjoy all this life has to offer at any given moment. This doesn't mean, of course, that you won't make mistakes; indeed, you're likely to make more than your share -- but that's what allows you to learn so much so quickly about the tricky things in life.

WEDNESDAY, JUNE 17

GEMINI (May 21-June 20) -- It's important you maintain contact with those who are depending on you for news of what is going on today. Don't let them down.

CANCER (June 21-July 22) -- Your confidence in a certain endeavor may wane somewhat today as you encounter an unexpected obstacle. You're back in the swing soon.

LEO (July 23-Aug. 22) -- How are you to tell others what to do today when you cannot figure out what you should be doing in the first place? Your priorities are unclear.

VIRGO (Aug. 23-Sept. 22) -- When imparting information to another today, you'll want to be as precise as possible -- especially if it includes instructions of any kind.

LIBRA (Sept. 23-Oct. 22) -- The promise of a new project has you excited about reconnecting with an old friend. This is a good time for some honest reflection.

SCORPIO (Oct. 23-Nov. 21) -- What does someone have that you don't have -- and why can't you close that gap? Such thoughts only stand in your way today.

SAGITTARIUS (Nov. 22-Dec. 21) -- Current restraints aren't likely to be imposed for very much longer; you must prepare today for what you are allowed to do tomorrow.

CAPRICORN (Dec. 22-Jan. 19) -- Your eagerness mustn't be allowed to increase your vulnerability to one who would seek to harm you. Keep your true feelings in check today.

AQUARIUS (Jan. 20-Feb. 18) -- You are feeling more confident than usual, especially when it comes to work that has been piling up. You can get a lot of it done today.

PISCES (Feb. 19-March 20) -- You stumble upon something that changes your point of view in a small way -- but that "small" proves very "big" when its full impact is known.

ARIES (March 21-April 19) -- You may be facing a situation that grants you no real choice today. Do what you must do, knowing that you may be able to undo it.

TAURUS (April 20-May 20) -- A sense of accomplishment can be yours today -- but you must share the credit with someone who has been by your side through it all.
