ROGUE VALLEY LAND COMPANY SPECIALS
We offer new two bedroom home, modern in every respect, insulated both walls and ceiling and electric heat. This home has a fascinating view from living room picture window of entire valley. Just think, all this for only $8950. $1100 down, balance over 20 years.

LOOK AT THIS ONE
For those of you who wish to live in the south west part of Medford here is a beautiful modern ranch style home on one acre of irrigated ground. Two wells, circle drive. When you step in the front door you see one of the nicest small homes in the valley—from beam ceilings to the fireplace and all through the house. Step out the back door into a beautiful landscaped yard, with bar-b-que. This can be shown by appointment only.

BACK TO THE EAST SIDE
We just visited a beautiful home and the owner wishes to move to the country. This is a long, low ranch style brick veneer home. Living room 28 feet long. Gorgeous fireplace with full length mirror above. Dinette and kitchen ultra modern. Utility room equipped with late Bendix washer. Three large bedrooms with windows so arranged that twin beds can be used at any point. One and one-half bath. Large bath predominates with glass over doors and elsewhere. Fine fence around the entire back yard making a grand place for children to play. This is truly a better 3-bedroom home.

IN OUR NEW LAKEWOOD ADDITION
Where every lot is restricted
We have three beautiful homes nearing the completion stage and invite you to drive out and inspect them.
One is a grand new three-bedroom home with one and one-half bath, hardwood floors throughout, insulated both walls and ceiling and we believe one of the most artistic plaster jobs in the valley. The location allows you to sit in the front room and look over the entire city.
Another three-bedroom home on one and one-half acres and also a two-bedroom on three-quarters of an acre.
Come out McAndrews road and Crater Lake Avenue. We invite your inspection.
