Eagle Point Eaglets.

BY A. C. HOWLETT.

Mrs. Wm. M. Holmes, of Central Point, has been visiting her parents for several days.

Mrs. Esther Sinclare, of Central Point, visited her sister, Mrs. A. M. Thomas, last week, remaining several days.

There was a social dance at Watkin's hall last Saturday night. There was a good attendance, some dancing until after midnight.

As the spring weather has come and the gardening season has arrived, everybody is busy and consequently items of interest are scarce.

Mr. Morton started for Crescent City last week with his family, having sold his property here to Jerry Heckathorn, where the latter's mother expects to reside.

Walter Robinett returned from Glendale last Monday, having secured a situation in a blacksmith shop. He expects to begin work in about a week.

Last Sunday over a score of the school children gave Misses Nora and Opal Daley a surprise party, each taking something in the lunch line, and that they had a good time goes without saying.

There will be a meeting of those who are interested in beautifying the Central Point cemetery at Watkin's Hall next Tuesday evening at 7:30 p. m., to see what can be done toward cleaning up the grounds.

On the night of the 3d, it being Wm. Brown's birthday, his many friends gave him a surprise party. There was quite a number present and the evening was spent in playing games, singing, music and having a good time generally.

Miss Mamie Wood, who has spent several years in California, and returned a short time ago, visiting relatives and friends, is now keeping house for her father and brother. Her father has decided to take THE MAIL for their mutual benefit.

Dakota Davis and his wife and Claud Stratton, of Oklahoma, are visiting Prof. A. H. Peachey and family this week. Mr. Davis has spent some time in Southern Oregon in the past and has decided to permanently locate among us. We extend a cordial greeting.

Frank Morine and family have gone to Portland to reside for awhile. Wm. Knighton and family have moved into the house and will probably purchase the property. It was generally believed that Mr. Morine would open a blacksmith shop here, but decided to enter into some other kind of business. There is a splendid opening for a good blacksmith, as there is no one here who does horse-shoeing and being on the main traveled road to the timber belt and Fort Klamath there is a great deal of that kind of work to be done.

BY REBECCA.

Mr. Baldwin, who was very sick, is getting better.

The hills around the city are beginning to look green once more.

Miss Mabel Hall, who has been on the sick list for a long time, is on the road to recovery.

Mr. McCasty has leased the Baldwin ranch and town property for a period of two years.

We understand that Mr. and Mrs. Dee Bradshaw are the happy parents of a bouncing boy.

The stockmen of this locality are praying for spring and green grass, as their hay mows are getting very low.

Geo. Brown, one of our promising young men, who is attending the Medford college, was visiting home folks last Saturday.

Mrs. C. J. Geer, who has been very sick the past two weeks, is on the road to recovery, under the treatment of Dr. Officer.

Mr. Aller and wife intend leaving our little town in a few days for their old home in Iowa. We will miss them, as they are two fine people.

James K. Belle, our enterprising postmaster and merchant has gone in the wood business, so if anyone wants wood cut it will pay them to interview James.

Mr. James Howard and family have moved on Carl Beiversteidt's ranch, better known as the old Matinee place. Jim figures on putting in a large crop.

Delbert Terril, one of Butte creek's leading stockmen, has sold his band of cattle to Tom Kinney, and figures on leaving Butte creek on account of his health.

Thos. Hawkins, our leading merchant, is contemplating on going into the garden business quite extensively. Tommy is also quite a horse trader, if anyone should ask you.

Richard Resse was in our little town early Monday morning with a boot and shoe man, interviewing our merchants. You can bet when Dick takes the boys they always get there on time.

We are informed that Miss Mabel Belle was one of the successful ones who took the late examination, and has got her a school in Klamath county. Her many friends wish her success.

Could Not Breathe.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquifies the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace, J. Q. Hood, Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family." Sold by Chas. Strang, Druggist.

The M. E. Church, South, quarterly meeting will be held at Antioch the 3d Sunday in March.

Miss Vincent appears demented most of the time, but the doctors still have hopes of her recovery.

Rev. Hollcroft, of Medford, was notified of so much sickness prevailing in the vicinity of New Hope church and cancelled his appointment.

Gip Vincent met with quite a serious mishap a few days ago by a horse which he was riding, throwing up his head, striking young Vincent on the nose and breaking it.

The directors of Antioch district have acted wisely in engaging the services of Prof J. C. Masterson, of Gold Hill, to teach our spring term of school, which will begin the first Monday in April.

Miss Gertrude Richardson, of Beagle, is engaged again to teach the mountain district. This is her third school in the district, which is sufficient evidence of her popularity as a successful teacher.
