On The Side

By E. V. Durling

(Distributed by King Features Syndicate, Inc.)

Both garlic and onions are said to be very beneficial to the health. Especially garlic. With garlic being so beneficial to the healthy why did nature bestow such a disagreeable odor upon it? Same goes for onions. Do you recall a brief poem asking when "the Burbanks of the glorious west" would originate an onion that had "an onion's taste but a violet's smell"? That seems a fair question. Why hasn't some genius invented an odorless onion and non-smelling garlic?

The Winner!

It seems the prize for the most curiously named street in the U.S.A. should certainly be awarded to that Locust Valley, Long Island thoroughfare called "Skunk's Misery rd." With "Mistreating Alley," Port Arthur, Tex., a close second. As for third place how about "Toughnut st." in Tombstone, Ariz.?

Sidelights

If your new baby says "Mama" first, your next child will be a boy. If it says "Papa" first, the next will be a girl. That's what the mother of many children says has been her experience.. Teddy Tingling, celebrated British dress designer, is six feet, six inches tall. As you will recall, Teddy hit the international spotlight when he designed that tennis costume for "Gorgeous Gussie" Moran which featured lace panties.

Get It Right

The immortal advice, "Go West, young man, go West," was first offered by John L. B. Soule in an editorial in the Terre Haute, Ind., Express. A few years later Horace Greeley enlarged somewhat on the Soule suggestion by saying, "Go West, young man, and grow up with the country."

In A Few Words

It was Bernard Baruch, who said, "It seems to me wrong for people to retire, and worse to be compelled to retire. An older person can often do more in less time than his more physically spry junior. He has learned to pace himself. He knows the short cuts and the pitfalls. He has acquired judgment and stability. For all this there is no substitute. Not even youth."

Asking

Queries from clients. Q. Who are the world's best cooks, Italian, German or French? A. The world's best cooks are the Chinese. A Chinese chef can skillfully handle any cuisine and excel at it. The chefs of the nationalities you refer to are usually outstanding in handling their native cuisine. Q. You report that the stargazers allege men born under Sagittarius are inclined to suffer from engyesis. What is engyesis? It can't be found in the dictionary. A. Engyesis is a condition which some young men suffer from after they become engaged to be married. The thought of being married makes them nervous. They wonder if they have done the right thing. They worry about making good as husbands. Men born under Sagittarius break engagements to be married more than males of any other sign.

Mirrors

There is considerable difference in mirror reflections. Some mirrors reveal the brutal truth. Others flatter. The most flattering mirrors are, of course, those used in beauty shops. They are especially made for that purpose. How about the mirrors at your house? Do they tell the truth or flatter?

Washington— (U.P.) —The first tour by American newsmen of non-secret areas of the giant Hanford atomic energy plant will be held May 13, the Atomic Energy Commission has announced.

Salem — (U.P.) — A Ways and Means subcommittee has tabled a proposed $100,000 appropriation for books at Portland State college, saying there was no space presently available for them.
