DAVE AND NOL'S OUTSTANDING RECREATIONAL REVIEW

Dave: Hey Nol, I had someone tell me that you and I are blatantly sexist.

Nol: Do you really think so man? Bummer!

Dave: Well ya know, the business with rating the babes in movies and all. I don't know, maybe we over-objectify chicks too much. Is that possible....

Dave & Nol: Naaw, Not Possible!!

Dave: This week, Nol and I are going to suggest some places which are great for taking advantage of this great weather which we've been having lately.

Nol: You mean like California man....

Dave: No, places around here that people can drive to.

Nol: They can drive to Disneyland.

Dave: Yeah, and they can drive to the moon too. Nol, we're talking local recreational sun spots. For instance, the Zoo is always a great place to go when it's sunny.

Nol: Yeah, Last time I went, they had this really gnarly crocodile. I personally prefer parks on sunny days. Some excellent ones within distance are Clackamette Park in Oregon City, Mary S. Young Park in West Linn, High Rocks in Gladstone and Silver Creek Falls in Silverton. Check your map, man.

Dave: Hey, and Silver Creek Falls is an awesome place to bring your bicycles or commune with nature. Also, if you're in Portland there is always stuff going on in Pioneer Square.

Nol: And if your looking for a good place to eat in Portland, there is a place on the second floor of the Galleria called Bogart's, which is a really killer place to eat. The prices are reasonable too. It is all done up in Humphery Bogart posters and stuff.

Dave: We can't forget of course to endorse our personal favorite in eating, 'Mikes.' Definitely the best shakes around.

Nol: Well, keep cool in the hot weather, ya'll. Responses to Dave and Nol's Outstanding Recreational Review are always welcome. Send your suggestions to 'The Clackamas Print' Attn: Dave & Nol, 19600 S. Molalla, Oregon City, OR -97045- or you can call 657-8400, ext. 2578.

Dave & Nol: Oh, and one more thing. GO BLAZERS!!!! A MOST EXCELLENT TEAM!
