Strictly Pure Linseed Oil for Medicinal Purposes

Raw linseed oil is especially valuable as a laxative for horses and stock and for use in the making of Carron Oil, indicated for recent scalds and burns. But much of the linseed oil of commerce is adulterated and unfit for medicinal use.

SHERWIN-WILLIAMS MEDICINAL LINSEED OIL

is made expressly for medicinal purposes and is the purest and best that can be made. It is manufactured from the choicest Northwestern flaxseed, cleaned and re-cleaned. The most cleanly and sterile conditions prevail in the mill through every stage of its manufacture.

We sell *S.-W. Medicinal Linseed Oil* in pints and quarts. It is ready for use and dose directions are on every bottle.
