Coming Events: April is going to be a county-wide theme based on the classic book Fahrenheit 451 by Ray Bradbury. This book, written in the early 1950's, focuses on a futuristic world that burns and bans books and is contolled by the media of the day. It's a very interesting theme to compare to the role media has in today's society. The Friends of the Library is sponsoring a Movie/Discussion night for adults, middle school aged and high school aged students on Wednesday, April 16th at 6:30 PM at the Community Hall. Please mark your calendars and let's have a lively discussion! The cost is .50 cents or bring a book for donation. Refreshments will be served

*In keeping with the Fahrenheit 451 theme, Fire Chief Jeff Gorman and Firefighter Shelly Conopa will be our guest storytellers for the month of April. Please join us! Be sure to check out the bulletin boards outside the general store and in the post office for information about other events that might be planned. (Interesting factoid: the degrees at which books burn is 451.)

*Friends of the Library will be conducting fundraising activites in the next couple of months to help defray costs for some of the following: Summer Reading Program, special speakers, author/illustrator visits, contests and family activites and internet workshops. If you have any suggestions for sponsored events, please contact Judy Lozano, president (865-3421) or Helen Coe, librarian (865-3511).

*Please mark your calendars for the following fundraisers:

Indoor Yard Sale - Saturday, May 3rd , 9 am - 3 pm at the Community Hall.

Flea Market in the Park - Saturday, June 7th , 9 am - 3 pm. If you have any saleable items you could donate for these fundraisers, please contact Judy or Helen.

A special thanks to Mike and Liz Stritenberg for displaying their 'Coke' memorabilia in the library during the month of March for our Antiques and Collectibles theme. Con't next page.....
