SALE OF CITY BONDS.
Dalles City, Oregon, hereby calls for bids for the bonds of the city in the amount of the cost of the construction of a sewerage system, which is estimated at $90,000.
Bonds will be issued in the denomination of Five Hundred Dollars ($500) each, bearing date of July 15, 1912, and bearing interest at a rate not to exceed 5½ per cent per anum, payable semi-annually, principal and interest payable in United States gold coin at the fiscal agency of the State of Oregon in the City and State of New York.
These bonds are a general obligation of Dalles City, due and payable on the 15th day of July, 1937, but Dalles City reserves the right to pay the bonds at the expiration of any semi-annual interest period at any time after twenty years from the date thereof.
A complete certified transcript of all proceedings on the part of the Council of Dalles City in reference to the issuance and sale of said bonds has been forwarded to Storey, Thorndike, Palmer & Dodge, No. 735 Exchange Building, Boston, Mass., who have been employed by Dalles City to render their opinion as to the regularity of all proceedings upon the part of the Council and the validity and legality of the bonds, and the city's power to levy and collect sufficient taxes to pay the principal and interest of the bonds at maturity, and as to whether there is any local law or regulation of taxation and exemption within Dalles City, or the county in which said city is situated, which affects or impairs the city's right to levy a sufficient tax for the payment of the principal and interest of said bonds.
All bids must be subject to the unconditional and unqualified opinion of said attorneys upon all matters submitted to them, and no bidder will be held bound by his bid unless and until said attorneys have rendered their unqualified and unconditional opinion in favor of the regularity, validity and legality of said bonds, and that they are a general obligation of Dalles City, and that the city has full power to levy and collect sufficient taxes to pay the principal and interest of said bonds, and that there is no local regulation or law of taxation and exemption within Dalles City, or county in which it is situated, which affects or impairs the city's right to levy a sufficient tax for the payment of the principal and interest of said bonds at maturity, and in all other respects the bids must be unconditional.
The bonds will be furnished by Dalles City, and will be prepared under the supervision and direction of said attorneys and approved by them as to their form, regularity and validity. Bidders may name the rate of interest, provided always, that it shall not exceed 5½ per cent interest, and said bonds can only be sold for par and accrued interest, and bids must be made accordingly.
Each bid must be accompanied by a certified check for not less than 5 per cent of the amount of the bid to be forfeited to Dalles City in the event that said bid is accepted and the bidder shall refuse to complete the purchase of the bonds.
All bids must be sealed and filed with the Recorder of Dalles City on or before 8 o'clock P. M. of September 7, 1912.
