AN ODE TO A SHIRT

A soft shirt is a social break.
I like it
It satisfies no parlor snake.
I like it.

It's soft within, it's soft outside,
It doesn't scratch or tear your hide,
It lets your Adam's Apple slide,
I like it.

BOY SCOUTS ALLIES OF FOREST RANGERS IN FIRE CAMPAIGN

PORTLAND, Feb. 10.—Forest officers are interested in the Boy Scout anniversary for the Scouts are coming to be recognized by the forest rangers as allies in the fire campaign that is being waged on the national forests of the Northwest. Reports received by the District Forester from the twenty-two forests in Oregon and Washington show that Boy Scouts by portions of twenty of these National Forests each summer for hiking or camping trip. On some forests the Scouts have taken a very active part in fire prevention and fire suppression, realizing that this denotes a good woodsman.

These reports show that Boy Scouts are coming to appreciate the National Forests, from the Crater Forest in southern Oregon, to the far away Chugach Forest, in Alaska. In southern Oregon, Boy Scouts from Medford and Ashland have taken hikes into the Crater Forest, camping for ten days at some of the mountain lakes in the Cascades. From Grants Pass Scouts take trips into the Siskiyou forest. From Lakeview the Scouts have taken trips to Dog Lake on the Fremont Forest, in eastern Oregon the Scouts from Bend annually enjoy an outing at Lost Lake on the Deschutes Forest, while the Scouts from Halfway and Baker have used the Whitman Forest in past seasons.

The Hood River Scouts go to Lost Lake, while at Wahtum Lake, on the Oregon Forest, is a permanent Boy Scout camp where large numbers of Portland Scouts annually enjoy swimming and other summer pleasures and where many a Scout has come to know that the forest rangers will be his friends if he is careful at all times with his campfire.

NOTED SURGEON SUBMITS TO SIMPLE GLAND OPERATION; IS REJUVENATED

NEW YORK, Feb. 10.—After astonishing many American practitioners for several months by his indefatigable work in performing hundreds of bloodless operations for charity, Dr. Adolf Loernz, aged Austrian orthopedic surgeon, has revealed that he attributes his energy to having submitted to a delicate operation known as "Steinach's method of rejuvenation."

The operation, painless as those he himself performs, was gone through by r. Lorenz, who is 67, just before leaving Vienna for the United States last fall, according to the New York World.

Operation Simple

The fact that he had undergone the operation with the hope of thereby having his years of usefulness to humanity lengthened, was announced by Dr. Dexter D. Ashley, at whose home the famous surgeon has been seeing patients, the newspaper stated. It was performed by Dr. Blun of Vienna.

The operation, as described by its originator, Dr. Eugene Steinach, is "a very simple affair."

"Absolutely painless; quite free from any risk whatsoever. It takes no longer than fifteen minutes to perform. Seven to ten days in the hospital are all that is needed. But the operation must be performed with minute precision."

Attacks Disappear

Dr. Steinach is said to operate on a gland which has properties both reproductive and revivifying. By a simple ligition the productive property of the gland is obliterated, when the other property is intensified. It involves no transplantation of glands.

Shortly after Dr. Lorenz began his work here last year he underwent several attacks of weakness and fainting. These are now said to have passed, leaving the aged surgeon in the heartiest of physical condition.

It is said that it requires several months for the result of the Steinach operation to assert itself.

Easy and Economical — Results Quick

Of what use are fine features with an ugly, mottled skin, flabby flesh, sunken cheeks, pouches under the eyes, or a careworn, sickly-looking face?

Few men there are now who cannot astonishingly add to their energy and vigor, clear the skin of eruptions and enjoy that splendid firm flesh "rub" of a well-built body. Since Science wrested from Nature those mysterious life-giving, health-building elements—the vitamines—thousands upon thousands can tell you of the amazing and almost magic-like results from their use.

If you want to quickly clear your skin and complexion, put some firm healthy flesh on your bones, increase your nerve force and power and look and feel far better, make this simple test: First weigh yourself and measure yourself. Next take MASTIN'S VITAMON TABLETS—two tablets with every meal.
