Midtown Pipe & Tobacco
The Center of Eugene

Eugene ROCKS!

Our first ever sale continues!

20% Off
*Except tobacco and r.y.o tobacco accessories.
Huge Sale

$136

Just blocks from campus!

We pity the big marts and "discount" stores that claim low prices. This sale has people buying more, so we can buy more for less. In turn offering even lower prices to our valued customers! On many brands, we are leading the price war and re-setting the bar for the entire State!

Midtown encourages you to get out into the wilds of our state and do what ever it is that you enjoy. A kite at the beach, a bike ride on the bike path in Cottage Grove, Sliding snow at the Pass, Climbing Middle Sister, Riding a horse near Bend, walk the block, whatever your pleasure, get out and have fun! Midtown wants you to stop smoking. Please check out www.fresoffin.org It is a full on free program to help you quit smoking and is offered by the American Lung Association. Our philosophy is simple. We need to do something way different to get folks to stop in at our location on 18th Ave. We sell as cheapy as we can. We are about jobs, not the bottom line of a bank account. We are about fun, that naturally puts us in a position to truly help our customers. Thanks for reading what we offer as we hope you found something positive.

We are open 9-9 to better serve your needs. Why do so many stores close when we get out of work and on weekends? Midtown knows better and works harder!

Ban stores that insult your intelligence and humanity!
