TO AID DEAF

VIENNA,—Two of Australia's scientists, Prof. Jellinek and Dr. Scheiber, believe that by feeding electric currents directly into the nervous machinery of the ear without using the ordinary hearing mechanism at all, some deaf people can be made to hear. They are now working on an instrument to perform this operation.

ALL FOR NAUGHT

MILWAUKEE—After hiking all the way from Bellingham, Wash., to this city for the purpose of visiting relatives, Mrs. Adel Hardenbrook and her 2-year-old child, and Mrs. Ione Stevens and Chester Ryals arrived here to find that their kin had moved elsewhere. The four hitch-hiked all the way across the continent.

No More Piles

HEM-ROID, the prescription of Dr. J. S. Leonhardt, is guaranteed to banish any form of Pile misery. It gives quick action even in old, stubborn cases. HEM-ROID succeeds because it heals and strengthens the affected parts and removes blood congestion in the lower bowel—the cause of piles. Only an internal medicine can do this, that's why salves and cutting fail. Underwood Pharmacy and druggists everywhere sell HEM-ROID with guarantee that it cost you nothing if it doesn't end all Pile agony.—Adv.

"GOD" LESSON SUBJECT

"God" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 6.

The Golden Text was, "Thus saith the Lord the King of Israel, and his redeemer the Lord of hosts; I am the first, and I am the last; and beside me there is no God" (Isaiah 44:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I am the Lord; that is my name: and my glory will I not give to another, neither my praise to graven images" (Isa. 42:8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is" (p. 275). "Christian Science takes naught from the perfection of God, but it ascribes to Him the entire glory" (p. 262).

PAIN IN YOUR SHOULDER?

Use Tysmol for Relief

Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing aching peripheral nerves. The pains usually stop at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—free from dope. Recommended for all forms of nerve pain, whether caused by neuritis, neuralgia, sciatica or rheumatism. Sold by leading druggists. Always on hand at Star Drug Co.

FINDS ANOTHER RAY

NAPLES,—A young Italian scientist, Saverio Natella, is baffling fellow workers with a natural ray which he says enables him to extract electrical power from the ether. He has kept running for hours a small motor and a light bulb without any physical connections. His unknown ray is being scoffed at by some of Italy's greatest scientists.

Representatives of the Pennsylvania game commission are now working on new motion picture material dealing with wild animal life in the state.
