Stocks Edge Edward Today

NEW YORK, March 17 (AP)—Selected stocks edged upward in today's market, as professionals bid timidly for a technical revival, but many leaders were indifferent and dealings among the slowest of the past year.

From the start the ticker tape frequently halted. A few "blue chips" added 1 to 3 points on meager sales although most advances were in small fractions. Top marks were reduced in most cases near the close and scattered losers persisted. Transfers for the full proceedings dwindled to around 600,000 shares.

On the rising side were Youngstown Sheet, General Motors, American Telephone, American Smelting, Phelps Dodge, Northern Pacific, Norfolk & Western, Texas Co., American Can, Du Pont, Allied Chemical, Eastman Kodak, Johns-Manville and U. S. Gypsum.

Bonds were narrowly mixed.

Grain Hits 30-Year Peak

CHICAGO, March 17 (AP)—Soaring prices sent wheat to a new 30 year peak and corn to the best level since 1920 on the board of trade today.

Both March and May contracts advanced 10 cents, the daily limit, at one time. Volume of turnover was not as large as last week. In the "thin" market wheat at times jumped or declined as much as a full cent between transactions.

New crop wheat was strong, despite an excellent crop outlook, but price changes were not as wide in these deliveries.

A strong demand for cash corn gave yellow grain futures strength.

Wheat closed 3½ to 10 cents higher, March $2.96⅛; corn was 2⅞-4⅝c higher, March $1.78⅛-⅞; and oats 1 to 2⅞c higher, March 69-69⅛c.

SHANGHAI, March 17 (AP)—John Ira Rogers, UNRRA fisherman from Seattle, was freed by the Shanghai district court today after two and one-half months in custody on a charge of causing bodily harm to a Chinese pedicab driver.
