Stocks Show Slight Gains

NEW YORK, April 30 (AP)— The stock market enjoyed its first rising session of the week today but the rally never attained speed.

Steels, motors and a number of "blue chip" issues were leaders of the advance. Principal bidding activity came at the opening and again in the early afternoon while some shares attained their best levels just before the close. Improvement ranging to around 3 points predominated at the finish. Transactions approximated 800,000 shares.

Prominent gainers included U. S. Steel, Bethlehem, American Telephone, General Motors, Montgomery Ward, Du Pont, American Can, Eastman Kodak, Great Northern preferred, Northern Pacific, International Harvester, Douglas Aircraft, Western Union "A", General Electric, International Nickel and Johns-Manville.

Peoria & Eastern slipped several points to a new 1947 low.

Feed Grain Price Shows Some Gains

CHICAGO, April 30 (AP)—Feed grain prices moved higher on the board of trade today, but deferred wheat futures ran into some hedging pressure from the southwest. May wheat displayed independent strength.

Major stimulus for the corn and oats buying was another boost in parity prices, announced overnight by the agriculture department.

Wheat closed ½c lower to 3c higher, corn was 1⅛-2½c higher, May $1.60-1.58⅞, and oats were ⅛-1⅛c higher, May 87-86⅞c.
