Dewey Raps Administration

EN ROUTE TO BOSTON WITH DEWEY, Feb. 12 (AP)—Gov. Thomas E. Dewey will accuse the Truman administration tonight of serious "failures" in handling America's foreign policy and propose a "constructive" plan for building a "lasting peace."

The New York governor will deliver his attack in a Lincoln Day speech at Boston.

It is his first major address since he became an avowed candidate for the republican presidential nomination last month and his third invasion of doubtful New England in the last five months.

During his overnight stay in Boston, Dewey will confer with Massachusetts republican leaders, including Gov. Robert Bradford, Sinclair Weeks, national committeeman, and former Gov. Alvin T. Fuller.

In a statement disclosing the theme of the speech, Paul E. Lockwood, Dewey's secretary, said:

"The failures of the foreign policy of the present national administration have brought about confusion among the American people and fear that we are drifting toward another catastrophe."

Danish Air Liner Crashes, 21 Aboard

None of the persons aboard was American, the line said. The plane was enroute from Copenhagen to Frankfurt.

The U. S. army's 97th General hospital sent ambulances to the scene.

Grounded Ship In No Danger

VANCOUVER, Wash., Feb. 12 (AP) The wheat-laden freighter Thomas Fitzsimons was fast aground at Coffin rock near Kalama today but was in no danger, the coast guard reported.

The 420-foot vessel struck last night while making a bend in the river. The cutter Bluebell stood by throughout the night.

Tug men, dispatched to the ship, said they thought the Fitzsimons might be hard enough aground that refloating would be difficult without first unloading at least part of her bulk wheat cargo.
