COUNTY COURT PROCEEDINGS.

In the matter of a supervisor for Road District Number 8, of Hay creek George Lytle was appointed by the court and was notified of the appointment June 6th.

Henry Crane was appointed to serve in the same capacity for Road District Number 13, of Johnson creek and was notified of his appointment on June 6th. These appointments were made at a special session held on June 3rd, for that purpose.

J. H. Thomas' remonstrance against the bridge across the Deschutes at the Warm Springs agency was not acted upon.

The report of the viewers of the J. H. Horney road was read and considered, and was then referred to W. A. Bell, who is empowered to act for the prosecuting attorney, in such matters.

The warrant numbered 675, which was drawn in favor of P. T. Monroe for $825, was drawn in duplicate and was ordered cancelled by the clerk. This was done on July 3rd.

The resignation of J. L. Allen as supervisor of Road District Number 8 was accepted at the June term and Geo. Lytle was appointed to act in the same capacity.

The petition for a Deschutes bridge sent in by the Indians, was not acted upon by the court.

Acting on Arthur Hodges report of the examination made of the account of the sheriff, the clerk was ordered to balance all accounts with W. C. Congleton, ex-sheriff, in accordance with the report of Arthur Hodges.

The receipts for the amount expended on the H. W. Lamson road was filed on June 2nd, and was continued awaiting proof of the opening of the road.

The remonstrance to the change in the county road, which was petitioned by C. J. Cottor, et al, was withdrawn by H. W. Reed, who appeared as a special attorney for the petitioners in the remonstrance.

The Lytle Townsite Company's remonstrance to change the county road, which was petitioned by C. J. Cottor, et al was withdrawn by H. W. Reed who appeared as special attorney for the petitioners.

In the A. B. Estelents' petition for a saloon for Ashwood precinct, was refused for the present, owing to an error in the proof of publication.

The petition of H. K. Nissen et al for a county road was refused consideration by court for the reason that the bondsmen and petitioners have refused to pay the costs on report of the viewers on a road over the same route. This was in regards to a former petition for a road over the same route. The bondsmen reconsidered and paid cash on the first petition and the petitioners having filed a new bond, which was approved on the 2nd day of July. It was ordered that the board of county viewers proceed to lay out and survey said proposed road according to the petition. They were ordered to meet at the place of beginning as mentioned in the petition, o the 27th day of July, 1903, and were notified of this order on the 8th day of July, 1903.

THEDFORD'S BLACK-DRAUGHT THE GREAT FAMILY MEDICINE

Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhea, biliousness, piles, hard colds and headache. Every druggist has Thedford's Black-Draught in 25 cent packages and in mammoth size for $1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Illeware, La.
