THOUSANDS OF SACKS of onions dotted this 60-acre field at Tulelake this week before they were shipped to a dehydrating plant at Vallejo, California. Ed Duckett and Leslie Rogers each raised 30 acres of the crop. Yield this year, which is below average for an onion crop in this area was 375 sacks per acre. The crop was raised under contract.

River Rescue Attempt Fails

REDDING, Conn. (AP)—For six hours the woman clung to a tree in the raging Saugatuck River while 30 rescuers made one attempt after another to reach her. Then, with the rescuers only 20 feet away, she was too exhausted to hold on longer.

She let go and was swept down the river.

Rescuers said a car carrying the woman and her husband went into the river. She got out and caught hold of a tree about 500 feet from shore. Her husband was believed drowned.

The couple was tentatively identified as Mr. and Mrs. Edward A. Phoenix of Redding.

Rescuers brought floodlights to the scene and first tried to reach the woman by boat. This failed.

Albert Venning, chief of the West Redding volunteer fire department, started to swim out to her but the water was too swift.

Finally a network of ladders and ropes was extended outward to a point where rescuers were only 20 feet from the woman. It was then that she let go and was not seen again.

VICTIMS

NEW CANAAN, Conn. (AP)—Jack Peach, 35, and his neighbor Mrs. Arden Murphy are polio victims who need help from iron lungs. When the floods here caused a power failure, Peach invited Mrs. Murphy, who wears a portable iron lung, to share a generator he keeps in his cellar for just such an emergency.

BLAST

HAVANA, Cuba (AP) — Leaking gas is blamed for a violent explosion which destroyed a two-story building in downtown Havana, killing at least eight persons and injuring 50. Police estimated property damage at $500,000.
