Redmond News.

REDMOND, Nov. 29.—A recent trip to the Haystack country disclosed fall grain coming up nicely and doing well.

A butterfly social will be given at the hotel Thursday night.

That there is still development work going on at Redmond is evidenced by the changes which have been made during the past week. Carl Ehret has sold his town residence and will build on his forty adjoining the townsite. Chris has bought the property and sold his own to H. F. Jones, who will move in the first of the week.

Frank McCaffery has sold his residence property to Mr. Wright of near Sisters, who is now occupying it.

Rev. G. A. M. Lilly was assisted in today's services by Rev. B. F. Harper, once of Prineville, who preached a very interesting sermon. He preaches again tonight on a temperance subject.

More lumber is being hauled to Redmond and vicinity, but we cannot locate all of it just now. Ray Archer and Bert Nichols went Friday and Saturday, and E. M. Eby and yours truly expect to make a trip the first of this week.

Mrs. Irvin was an arrival on Wednesday's big-four stage looking hearty.

We should have mentioned that numerous railroad surveys have been and are being made in this vicinity. It begins to look as though we might get a railroad some of these days.

The Ladies' Aid Society spent a very profitable afternoon Friday with Mrs. Chapman. A large number were present, an elegant repast was served and about 150 bags were made for the Christmas tree. The next meeting will be with Mrs. Norwood in two weeks.

At the close of Sunday School today Mrs. Davidson and Mrs. Finis Woods gave recitations appropriate to the day, this being a national temperance day.

Redmond's first Thanksgiving sermon was preached Thursday by Rev. Lilly, after which the congregation and others divided into the usual formal dinner parties.

The Brown's will move into their new house west of town this week.

W. H. Oakes is building a root cellar 10x20 inside, and will soon start a cistern, the cement for which is already on hand.
