Miss Edna Lockwood of Los Angeles, en route for LaGrande, Ore., accompanied by her mother, Mrs. Lockwood of Portland, visited Miss Geneiva Short on Tuesday of this week. Miss Edna, on her return from LaGrande will spend a couple of weeks in Portland and St. Johns.

Mrs. May Hoyt proved a delightful hostess to the members of the Altruistic club, Pythian Sisters, last Tuesday at her home, 1617 Stockton street, at an all day session. Dinner was served at noon to 15 members. Sewing occupied the day, when the meeting was called to order and the business was gone over, when it was decided to meet with Mrs. Josephine Hendricks, 208 Ivanhoe street, Sept. 7th, when all members are invited.—Reported.

The I. G. H. Y. club decided to have a little change from the regular custom of meeting at the home of some member, so last Monday night the meeting was held by a campfire down by the river. It was the best meeting we have had for several weeks. The first part of the refreshments consisted of weiners and buns by the fire, and the last part was delicious ice cream in Monahan's ice cream parlor about nine o'clock. The meeting next week will be at Helen Russel's on West John street. Several of the girls are away on their vacation, so we may have a small attendance. Come, you I. G. H. Y. girls who can, and let's have a good meeting in spite of small attendance—Reported.

In celebration of the fortieth anniversary of their wedding, Dr. and Mrs. S. C. Cook of 1002 Oswego street, entertained at six o'clock dinner on August 18th. Guests included only former Kansas friends, many of whom were acquainted with the Dr. then a practicing physician in Hollyrood, Kansas, and remember the night the Dr. left for Wentzville, Mo., to claim his bride. Following the marriage Dr. and Mrs. Cook resided in Rice county, Kansas, for nearly thirty years, where the Dr. was at one time county physician. Dinner guests were Mr. and Mrs. Dan Swartz and son; Mr. and Mrs. Arthur Mullin, Mr. and Mrs. Charles Yielding and four sons, Mr. and Mrs. C. L. Holmes, three sons and one daughter; Mr. and Mrs. E. A. Blew and two daughters and son; Mrs. Sophia Hall; Mrs. Mary Yielding of Oklahoma; Mrs. Stanley Allison; Mrs. Ada Stewart; Miss Agnes Swartz; Miss Geneva Tucker; Miss Royce Barner; A. B. Cain, Ralph Tucker and Harold Holdman. The guests presented Dr. and Mrs. Cook with a cut glass vase. By way of a second honeymoon the bride and groom of forty years left the next day for a motor trip to Fall Creek, Oregon, where they visited Mrs. Cook's sister, Mrs. A. T. Brewer. Accompanying them were Mr. and Mrs. E. A. Blew and children.

With the cost of vegetables so high, how can you expect a good cigar for 5c, or a work shirt for 75c? ROGERS sells WORK SHIRTS of quality at the lowest possible price.

The Altruistic Club, Pythian Sisters, will hold a cooked food sale corner Baltimore and Jersey streets tomorrow morning, August 28th.

Resolutions

Oregon Grape Circle No. 541, Neighbors of Woodcraft.

Whereas, in view of the loss we have sustained by the decease of our Neighbor, Estella Muhm, and of the still greater loss sustained by those nearest and dearest to her, therefore be it

Resolved, That it is but a just tribute to her memory to say that in regretting her removal from our Lodge we mourn for one who was in every way worthy of respect and regard.

Resolved, That we sincerely condole with the family of the deceased in the dispensation with which it has pleased the Sovereign Ruler of the Universe to afflict them and commend them for consolation to Him who orders all things for the best.

Resolved, That this heartfelt testimonial of our sympathy and sorrow be forwarded to the family of our dear departed Neighbor, and a copy be spread on the minutes, also a copy be sent to the St. Johns Review for publication.

Why the Electric Cleaner
There is really no comparison between the ease and thoroughness with which an Electric Cleaner removed dirt and the difficulty of sweeping.
True, one CAN clean rugs and carpets without an electric cleaner. A broom or carpet sweeper will brush up SOME of the dirt; and if you like the exercise and have plenty of time and strength a broom and carpet beater will do the work after a fashion.
In the same way one can wash without soap. Water alone will remove some dirt if applied with enough "elbow grease."
But people use soap because it cleans more easily and better than water alone.
For the same reason people use Electric Cleaners because they clean more easily and far better than other methods.
