Only two pairs in the World Championship trials reached a venturesome six-spade contract on today's hand, but both declarers managed to bring it home.

At each table the deuce of hearts was opened and East's queen forced South's ace. Each declarer looked the hand over carefully and decided to try the diamond finesse. After the diamond queen held, each one led the ace of diamonds and presented East with a tough problem. East could ruff with the king or the ten or discard. One East chose to ruff with the king, whereupon declarer discarded his losing club. East led back a heart and declarer had no further problems.

The other East ruffed with the ten spot. This play forced Harry Harkavy of Miami, one of our greatest dummy players to use all his skill but Harry was equal to the occasion.

He overruffed and took stock of the situation. It appeared that East was most likely to hold the king of spades and, therefore, his only chance to make the hand would be to pick it up. So his next play was a trump to dummy's ace, dropping the king. Then he returned to his hand with a club and led the jack of hearts for what is known as a ruffing finesse. The ruffing finesse worked: Harry came back to his hand once more, drew West's last trump and conceded a club trick.

While the low heart was the normal lead from the West hand, it is of interest to note that the hand would not make if West had opened the king instead of the deuce.

Students Meet In Restaurant

TILLAMOOK (UPI)—A group of about 30 students who cannot reach school here because of a slide has started classes in a restaurant and lounge.

Lee Hanson, Tillamook County school superintendent, said the classes were being held in one of two sections of the County House cafe.

A slide on the Wilson River Highway blocked their regular route and Hanson said it was too dangerous to try to send the students on a bus via an older route. The State Department of Education approved as the building is the only one in the area available to hold temporary school sessions.
