THE BEE-HIVE ...IN ITS GLORY...

Men's and Children's Shoes, and all other goods, proportionally as low.

FOR the simple reason the wise people of Oregon City appreciate the fact that they can get better values for their money with us than anyother house in Clackamas county. The reason we can sell cheaper than other houses is because we do a strictly cash business, both in buying and selling.

Misses' Shoes, Sizes 13 to 2, 75c
Ladies' Ties, 85c to $1.98
Those Ladies' $3 Vici Kid Shoes, still selling at $1.98.

The citizens of Canyon Creek road precinct are kicking because the county court did not allow the bill for corduroy presented by Road Supervisor C. O. Hubbard. The men who got out the timber at 75 cents per hundred are all poor men who depended on this money to pay their taxes. What a economical (?) gang our county court is. Johnson of the g. o. p. must get his $4 per day, but hard working tax payers who helped improve our roads at an average of less than 75c per day, why, their bill can wait.

Something to Depend On.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well. Dr. King's New Discovery for consumption, coughs and colds is guaranteed to do this good work. Try it. Free trial bottle at Charman & Co.'s drug store.
