HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed, that Dr Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain is passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effects of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. You may have a sample bottle and pamphlet both sent free by mail. Mention OREGON CITY COURIER and send your address to Dr Kilmer & Co., Binghamton, N Y. The proprietors of this paper guarantee the genuineness of this offer.

Circuit Court.

The adjourned session of the November term of the circuit court was convened Wednesday by Judge McBride. The petit jury on hand during the November session are nearly all here again, and justice is slowly being ground out to the litigants and those arraigned for criminal offenses. Nearly the whole day Wednesday was occupied with the case of C. W. F. Thielman, charged with selling liquor without license in New Era precinct. The case was given to the jury, who after being out all night reported that they could not agree. The ballot stood six to six.

Ex-Senator Mitchell and Henry E. McGinn, attorneys for the defendant in the Hess-Liebe damage suit, presented a motion for a new trial, which was taken under advisement by the judge. The other cases disposed of are as follows: Bank of Oregon City vs A. W. Howard; default and judgment for the recovery of $500 on a promissory note. George Forum vs D. H. Tuttle; default and judgment decree. Bank of Oregon City vs W. T. Whitlock, et ux; default and judgment. Eliza B. Jobes vs J B Jobes; decree of divorce on the ground of desertion.

Bank of Oregon City vs W. S. Rider, Monasses vs Hawley, et al, and Charman vs Ford, were dismissed.

On Thursday the trial of Charles Lescor, on a charge of assaulting Charles Roadarmel with a deadly weapon at Clackamas last June, took up the greater part of the court's attention Thursday. Court will probably continue in session several days yet.

THE silver republicans will hold their state convention on the same date as democrats, March 23d, with four delegates from this county. Wm. Barlow of Barlow is committeeman.

What Everybody Knows,

Or ought to know, is that health and even life itself depends upon the condition of the blood. Feeding, as it does, all the organs of the body, it must be rich and pure in order to give proper nourishment. Hood's Sarsaparilla makes the blood pure, rich and nourishing, and in this way strengthens the nerves, creates an appetite, tones the stomach and builds up the health. Hood's Sarsaparilla wards off colds, pneumonia and fevers, which are prevalent at this time.

Pure blood is absolutely necessary for perfect health. Hood's Sarsaparilla is the one true blood purifier, and great health giver.

Scrofula is the advertisement of foul blood. It may be entirely driven from the system by the faithful use of Hood's Sarsaparilla, which thoroughly purifies the blood.

Hood's Pills are easy to take, easy to operate. Cure indigestion, biliousness. 25c.

Dr. Duvall.

It is with unfeigned pleasure that we announce our surprise at the method and results of Dr. Duvall's treatment of diseases that seem to be incurable by the skill of man. Dr. Duvall came among us with commendations that have rarely ever been awarded to one of his profession; but coming from strangers they did not bring conviction to our minds of his wonderful healing gifts as the statements of our own citizens have done. We are especially most favorably impressed with the statements of two aged ladies so wonderfully relieved with a few treatments, of rheumatism, one of 30 years' standing; also two cases of asthma, two of paralysis, two of female complaint—all relieved with a few treatments. One lady testifies of immediate relief of sufferings intolerable the very minute the doctor came into her room without a word or touch from him. Dr. Duvall treats only such cases as have not yielded to influence of medicines and cannot be improved by surgery. We would advise our readers to procure the doctor's circulars and see the wonderful statements of his most marvelous cures.

It seemed to develop into hasty consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well.
