A Storekeeper Says:

"A lady came into my store lately and said:

"'I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what a comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was smell and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give hers up for five times its cost.'"

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired out that you can't eat. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

New Perfection
WICK BLUE FLAME
Oil Cook-stove

It has a Cabinet Top with a shelf for keeping plates and food hot. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

GARFIELD

Keep sweet; enjoy the good things; look for the beautiful; be happy yourself and talk happiness to others; so shall you always be made welcome.

Mabel Anders was taken to the Good Samaritan hospital last Tuesday, where an operation was performed for appendicitis.

Hass Tracy came home last Thursday from the hospital and is much improved in health.

H. H. Anders visited his daughter Mabel at the hospital last Friday.

Dr. Hewitt and family have moved onto their ranch.

Mrs. C. Snyder has returned from a visit with friends in Portland.

A twelve and a half pound boy arrived at the home of Sidney Fisher, April 12th.

A ten and a half pound boy was born to Mr. and Mrs. Demoy April 12th.

Mrs. F. R. Cary, who has been spending the winter in California, returned to her home in Estacada last week. House cleaning is the order of the day with many of our housewives.

Eminent Authorities Say

that out-door exercise is needed by the American people. That's all very well, but how can people with rheumatism follow that advice? The answer is very simple—use Ballard's Snow Liniment and the rheumatism will go; leaving you as spry as a colt. Gives quick and permanent relief from rheumatism, neuralgia, lame back and all pains.

Sold by Jones Drug Co.

WOODBURN

Miss Mary Skei visited friends in Portland last week.

Miss Ulyssa Calvert received the piano in the contest that was held by some of the stores in Woodburn.

Woodburn is still getting its full proportion of homeseekers. Three families named Snow arrived here last week from Bermidi, Minn., and will make their homes here.

J. C. Hardin and family of Hartford, Kan., visited with old neighbors, Mrs. Olive Lewis and Mrs. R. A. Trullinger, last week. They have purchased the Wm. Hart property on Young street and have taken possession.

The union revival meetings are drawing large crowds. Mr. Wagner, the musical director and soloist, is having good success with his choir of 200 singers and an orchestra. A delegation of 317 Salem people came down Friday evening.

Miss Mary Gray and Miss Mabel Bitney visited friends at the State University at Eugene Saturday and Sunday.

Rheumatism

More than nine out of every ten cases of rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by Jones Drug Co

You will miss a good opportunity and money if you do not take your second-hand goods to 905 7th street.
J. H. MATTLEY.

TWILIGHT

The census taker and the assessor are in our midst.

Miss Lissie McDonald is now working in Portland.

J. E. Dodds and wife of Twin Falls, Idaho, were guests of J. C. M. Dodds and family from Saturday until Monday.

Potato planting is now the order of the day.

W. R. Snooks is greatly improving his place by putting up a nice wire fence along the road.

The ladies of Twilight have organized a "club" known as the Priscilla Club, which meets every two weeks on Thursday afternoon.

There will be a meeting of Warner Grange No. 117 at their hall in New Era next Saturday, April 23. If you are interested in horticulture or agriculture and would like to enjoy a good social time once a month you should belong to Warner Grange.

James Hylton has purchased a very fine disc harrow.

TheMead Boys are cutting cordwood for Bert McArthur.

JENNINGS LODGE

One of the most interesting and enjoyable club meetings of the year was the one held on Thursday afternoon when Mrs. H. H. Emmons entertained the Women's Industrial Club and some of their friends at her pretty home on the Willamette. After a short business session a very interesting progam consisting of a paper on the objects of Industrial Club was given by Miss Mary Morse. Mrs. Barnes, who had resided in Honolulu for sixteen years gave a talk on the Hawaiian Islands Mrs. Barnes in a simple yet charming manner told many things of interest about the islands and their inhabitants. Mrs. C. L. Smith read the poem, "The Dogwoods" by Mrs. Clarke, one of our former members. This poem has been dedicated to the pioneers of Oregon and was listened to with marked attention. Ice cream and cake were served, and Mrs. Emmons was handsome in a becoming silk gown as she graciously received the following ladies: Mesdames Haberman, Smith, Beckner, Davy, Seeley, Soesbe, Thompson, Betzel, Morse, Howell, Scripture, Clough, Strain, Barnes, Roberts and Miss Carrie Scripture.

The Ladies' Aid of the Grace chapel was organized on April 19th and will hold its meetings the first and third Wednesday of each month. The first meeting is to be held at the home of Mrs. Chas. Clough on May 4th.

The older residents of this place extend sympathy to Mr. and Mrs. Cook in their recent bereavement, their second little daughter having passed away at their home in Woodlawn last week with diphtheria. Mr. and Mrs. Cook had expected to occupy their cottage at this place during the summer months.

Mr. Reed and wife of Portland came this week to make their residence here during the summer, they having leased the Jeager bungalow on Boardman.

Mr. and Mrs. Grant Lewis and family of Buffalo, New York, are visiting with their sister, Mrs. L. Wilcox.

Mr. and Mrs. Ricketts and family of Portland were guests at the Wilcox home on Sunday. Mrs. Ricketts is also a sister of the above named ladies and a happy reunion was held at the Wilcox home.

Miss Fern Hart has again resumed her studies at the Jennings Lodge school, having been absent some days with trouble with her eyes.

Mrs Chas. Clough and Mrs. Harry Painton were elected as delegates from the Grace Chapel to attend the interdenominational S. S. Convention of the state of Oregon which will be held next week at the White Temple in Portland. Among the sixty different speakers who will take part in the program we notice the name of Mrs. Howard W. Smith of the Lodge, who will speak on "What We Are Doing in Oregon in Teacher Training," on Wednesday, April 27th at 10 a. m.

Mrs. Prout and two children of Portland were guests of Mr. Haverkemp's family on Sunday.

Mesdames Harvey and Delmar and Mr. and Mrs. Cusline were visitors at the Emmons home during the week.

Mr. E. H. Farley of Woodlawn, Washington visited with Mr A. Gill. Mr. Farley and Mr. Gill were neighbors at Black Hills, South Dakota.

Mr. and Mrs. Wilcox attended the funeral of Baby Holden, grandson of Mr. Wilcox, on Monday afternoon. Baby Holden had been ill only a few days with spinal meningitis and passed away at the home of his parents in Sellwood.

On Thursday evening, April 28th a social will be held at the home of Mr. and Mrs. H. C. Painton on Hull Ave. and Blanton street. An excellent musical program has been prepared for the occasion and a cordial invitation is extended to all. A silver offering will be taken for the interest of Grace chapel.

There is no problem of increased cost of food if you eat more

Quaker Oats

An ideal food; delicious; appetizing; strengthening.

Compared with other foods Quaker Oats costs almost nothing and yet it builds the best.

into the youth of this place. He has planned an extensive camping excursion for the boys of the K. O. K. A. and all the boys are now anxiously preparing for this pleasure.

It appears that the frosts have injured only slightly the fruit buds of this vicinity.

Mr. and Mrs. Charles F. Rowing made a business trip by way of Oregon City to Portland Monday.

M. J. Lee has a force of surveyors busy getting grades for his irrigation flume and ditch which will supply water for the irrigation of some of Canby's most fertile garden land. All of us will welcome this progressive step toward exemplifying the possibilities of the soil of this section.

People are coming in almost daily from the Eastern states to look over the land about here. The Canby Realty Company have sold the beautiful ten acre farm of Chas. C. Edwards north of town to Wm. Bridge. Mr. Edwards will give up possession about the first of June, when Mr. Bridge will move on to the place. They also sold the property belonging to Mrs. May Cullers at Barlow to E. W. Wright. Mr. Wright and family have already taken possession.

The town property of J. J. Redfield consisting of two lots and a house was sold through the Canby Realty Company to Mrs. Sarah E. James of near Liberal. Mrs. James is soon to take possession. I am sure that she will be cordially welcomed by her many acquaintances and friends here. Mr. Redfield is also offering his farm near here for sale. It is a most excellent piece of land, well adapted to dairying and fruit growing, highly improved, but as Mr. Redfield has been a railroad engineer, he has found that his calling is along other lines than on the farm We hope that Mr. Redfield may continue to cast his lot among us, although he has determined to dispose of his farm.

Mr. and Mrs. Dodds from Twin Falls, Idaho, made a business tirp to Canby this week. They are acquaintances of John R. Newton's family and expect to locate here.

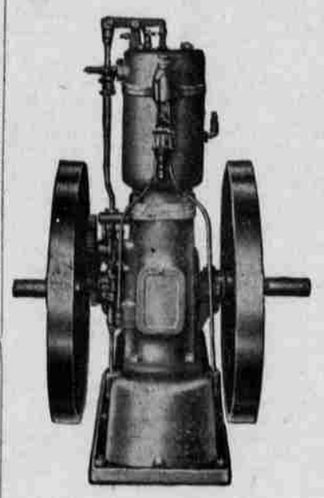
Orlando E. Romig, the Post-Journal boy of Canby, received the state championship prize for selling the most papers in Oregon in towns Canby's size. Orlando is in line for other larger prizes.

Our livery men are kept on the go with their teams these beautiful days. Business about here is active.

Best Treatment for Colds

"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, moderative laxatives, hot foot baths, a free prespiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple it requires considerable trouble, and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by Jones Drug Co.

OF ALL THE POWERS The STOVER IS THE GREATEST



A STEADY DEPENDABLE POWER NEEDED ON EVERY FARM AND IN EVERY SHOP

Gasoline Engine Power has long since passed the experimental stage and is now recognized throughout the world as one of the foremost and most useful powers. No longer is it necessary for farmers to do all hard work by hand or use a Steam Engine, usually expensive and inconvenient to say the least Farm duties such as grinding grain, sawing wood, pumping water etc. can be much more easily and economically performed by a gasoline engine. Although gasoline enigne power has been almost perfected, it must be remembered that all engines have not reached this high stage of efficiency. In the STOVER is found the highest possible type of gasoline engine construction resulting in a power serviceable and dependable in every respect and in an engine not to be approached by any other now on the market. There are a number of services common in the Northwest to which the STOVER is especially adapted, among them these—

THE PUMPING DUTY DEMANDS A CAPABLE ENGINE--THE STOVER MEETS THE DEMAND

Both for spraying and water supply pumping service we freely recommend the STOVER. Hundreds of them are sold in the Northwest yearly for this purpose alone.

THE GASOLINE ENGINE IS COMING INTO PROMINENCE IN THE HARVEST FIELD

Here again the Stover superiority asserts itself. Owing to the heavy construction of Stover Engines and their before mentioned high efficiency they are entirely capable of withstanding the severe service of the harvest field and giving full and complete satisfaction. Our Portable Stover Outfits are different from others. Investigate.

A Word as to Construction

The STOVER is a heavy slow speed gasoline engine which develops FULL RATED HORSE POWER. All material entered into the construction of the STOVER IS POSITIVELY THE BEST THAT CAN BE OBTAINED. The Stover is extremely simple, one of the reasons why it is adapted to the services we mention in this ad. We now have the hopper cooled Stovers in sizes ranging from 1 to 16 horse power. Vertical Stovers—sizes 2 to 9 horse power. Horizontal Stovers, 6 to 60 horse power.

Write today for our Stover Engine Catalog and prices. Address Dept. A.

the river front.

The Painton drilling machine has completed a well for Isiah Shenefield and have a fine well at a depth of 41 feet and also finished a well on the Frank Davy property at a depth of 50 feet during the week.

Mr. Alex Gill, our well known brick maker, met with an accident on Sunday when he was kicked by a horse. No bones were broken, which his many friends will be glad to hear

Rev. Shupp preached a very able sermon on Sunday, April 17th, having been requested to speak from the theme, "Launch Out Into the Deep."

Owing to his ill health Mr. H. C. Tozier had charge of the evening meeting which closed the series of meetings which have been held during the past two weeks.

A number of new houses are being built in this locality. Mr. I. Shenefield will commence the six room cottage this week on Blanton street and will be assisted by A. F. Russel The house being built by Wilcox and Caddy for Mrs. Emmons is well underway and three carpenters are busily engaged with Mr. Moore's house on the east side of the car track. Messrs. Smith and Gurnsey are shingling their cottage

H. C. Painton and family have moved in their pretty new and attractive home. Messers. Tozier and Beckner did the carpenter work and cannot be excelled in their workmanship and anyone deciding to build can by inspection see their excellent work speaks for itself. Mr. J. B. Fox of Gladstone is doing the staining and painting. Mr. Painton has installed a gasoline lighting system and will have a water system also and when the painting is finished and yard graded will be one of the prettiest homes at this place.

Miss Bronte Jennings and Miss Mabel Morse of this place assisted the ladies of Gladstone with the Bachelor Girls convention which was repeated at Milwaukee last week.

Mr. Boardman and wife have recently purchased acreage at Silver Springs and will build a very pretty residence at that place.

Mr. P. D. Newell and family enjoyed a visit from their son, P. E. Newell and wife of Portland and a daughter, Miss Esma of Eugene.

Mrs. H. J. Rice of Portland was a caller at the Lodge on Friday and took luncheon with Mr. and Mrs.

CANBY

John J. Newton is in Twin Falls attending to his fruit interests at that place. He has an extensive peach orchard there and finds that the prospects fo the coming season are encouraging. Canby rejoices that such a prominent and successful fruit man has cast his lot with our people. Canby is sure to grow.

The work of organizing a Y. M. C. A. at Canby is now in the hands of a committee of eighteen and rapid strides are being made in securing signers for permanent contributing members. Everything is being done to make the organization a permanent and strong one, as the pledge of membership carries with it the assurance of a good building on which no debt will hang. The Y. M. C. A. is much needed here and will prove an intellectual, moral and social benefit to our young people.

The race horse men are soliciting for a spring meet on Canby's famous tract. We are not informed of the exact date of this event at present.

The pastor of the Christian church of this place gave us an eloquent and logical discourse on the benefits to be derived from a Y. M. C. A. organization at Canby. There were also services in that church in the evening.

The Methodist church service of Sabbath evening was well attended and much interest was manifested in the logical discourse of the pastor, Rev. C. Creesy. This coming Sabbath the Methodists hold services in both morning and evening, the morning service being at 11, and the evening at 8 o'clock.

The boys of the K. O. K. A. gave a social in the city hall last Friday evening and they showed us some of the results of organized boy energy. The boys are anticipating the base ball season and they are desirous of having good suits so this means was adopted. They served ice cream and cake galore, sold home made candies, had a fishing pond where many nickels were taken in, and entertained those present with their songs and yells. At the close of the evening Chas F. Rowing auctioneered off the remaining cakes, which netted the boys a neat little sum. We learn that about $35 was taken in and of that at least $15 was cleared. Rev. Creesy deserves much credit for the new life and activity which he is instilling

OREGON CITY SCHOOLS

"Progress," Personal and Items of General Interest

CONDUCTED By STUDENTS

HIGH SCHOOL NOTES

The students were addressed in assembly on Wednesday morning, April 13th, by Rev. Lansborough of the Presbyterian church. The subject of his address was "Addition." He urged the students to make their educational problems those of addition—always adding to, and never taking away. He emphasized his point by a reference to the present census—only a problem in addition after all, and by an excellent concluding discussion on comets. Mr Lansborough has made a study of comets and is well fitted to discuss Halley's as well as other comets. All hope he will come often.

The Athletic Association held a meeting on Friday and voted a sufficient sum to cover a purchase of baseball suits. The committee appointed for the purpose has ordered them, and all are anxious to see the team in its new dress.

Pearl Francis is out of school on account of illness.

Benjamin Wolfe and Olive Flagler, who have been detained at home for some weeks on account of scarletina, have returned to school.

The sophomore class entertained some of their friends, Superintendent Tooze, the high school faculty and the board of education on Saturday evening at Woodman Hall. Games and songs were the means of entertainment, followed by a lunch. The class colors of green and gold were caried out in the decorations. Flowers, greenery, pennants, festoons, and the shades for the lights were in these colors. All present declare the sophomores excellent entertainers.

English theme, "A Grandpa," by Geneva Park, 6th A, Eastham School:

I first saw this man as he was sweeping the room. He was medium sized, though bent a little by hard work. Somehow, when I first saw him I took to him.

As I entered the room he looked up, nodded and began to sweep again. I took a good look at him. He was dressed in a pair of tan overalls with a brown sweater over them. His hair was gray, almost white, and he had a small, round cap on his head. His whiskers grew on each side of his head. His face was kindly and he had a way of looking at you out of his blue eyes that almost fascinated you. By his looks I judged that he must be quite old. I heard a little girl say: "Grandpa has been janitor of our school for twelve years."

Whenever any of the school children see him they say, "Hello, Grandpa," and he answers. He is very energetic and the school is generally tidy. I think he likes the children and I am sure they like him, for he is always kind to them.

Whenever company comes he dresses in a nice black coat, but as soon as the company goes, off comes his coat, and once more he is hard at work.

As he works he sometimes whistles or sings, for he is always cheery. Indeed there is not another man in Oregon City who has so many grandchildren nor deserves the name of "grandpa" more than he.

The Call of the Blood

for purification finds voice in pimples, boils, sallow complexion a jaundiced look moth patches and blotches on the skin—all signs of liver trouble. But Dr. King's New Life Pills make rich red blood; give clear skin rosy cheeks, fine complexion, health. Try them. 25c at all druggists.

Scott's Emulsion

is a wonderful food-medicine for all ages of mankind. It will make the delicate, sickly baby strong and well—will give the pale, anemic girl rosy cheeks and rich, red blood. It will put flesh on the bones of the tired, overworked, thin man, and will keep the aged man or woman in condition to resist colds or pneumonia in the winter.

FOR SALE BY ALL DRUGGISTS
