Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes broadcast and on each bottle-wrapper, what his medicines are made of and verifies it under oath. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will be the superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing pain in periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nervine and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a *free* booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

THEY ARE ALL COMING

FROM ALL POINTS OF THE EAST TO OREGON

There is healthy inquiry for property in and surrounding Salem, and many sales are being made daily both through the agencies and by owners who are being constantly approached by intending settlers who are prospecting the situation on their own hook and finding it good.

A large number of enquirers from the Middle West and the South who had arranged to come during the spring have notified their correspondents that they have deferred their arriving time until such dates as will enable them to include the A. Y. P. E. at Seattle in their itinerary.

There are a number of unreported sales made in the past few days and a number of large deals will be closed today and tomorrow.

John Thielander of Southern Wisconsin has bought 20 acres known as Pfiel place on the Pringle road four miles south of the city, and is setting it out to fruit, mostly cherries. The sale price of $2,400 is a distinct advance upon the price of adjacent realty in the past.

O. C. Peterson, a North Dakota farmer, has purchased 200 acres in Yamhill county through the H. A. Johnson Co. Of this land much is adapted to walnuts, but the purchaser will engage in dairying on a large scale at present. The price paid was $85 an acre.

The Olmsted Land Co. yesterday sold the J. L. Swank place, a mile east of the asylum, at a good price, but the details of the sale are held pending the filing of the transfer papers.

ALL THE WORLD WANTS TO GET UP IN THE AIR

[United Press Leased Wire.]

Shellness, Isle of Sheppey, Kent, England, April 28.—Hitherto backward in the science of aviation, Great Britan is planning to undertake on a large scale the study of aeronautics. Sheppey, in view of its advantageous location, has been named as the ground for the experiments which the English Aero Club is about to start, and already shops have been constructed and workmen are busy today putting together the three machines that are on the grounds.

The activity of the German government in aero experiments is believed to be one of the causes for the recent concern in matters pertaining to aerial navigation displayed by the Britons.

The English war office is building shops for the construction of experimental ships on the Salisbury plan, and a royal engineer will witness the trials at Sheppey.

A London news paper has offered a prize of $5000 for the most successful aeroplane. Every part of the machine must be of Britsh construction, and only British aeronauts will be permitted to compete. It is stated that if the Sheppey experiments terminate successfully, orders for 300 aeroplanes, from the Britsh government and from private individuals will be forthcoming. In view of this the aero club enthusiasts are enlarging their plants here.

WILL GIVE TAFT EXPENSE MONEY

[United Press Leased Wire.]

Washington, April 27—Representative Tawney of Minnesota announced today that he would introduce a bill in congress providing for the appropriation of $25,000 for the president's traveling expenses. He explained that he would introduce this bill to assure president's Taft proposed western trip.

The announcement was made after Tawney had been in conference with Taft.

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on presciptions from reputable physicians, as the damage they will do it ten-fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle.

Money Comes in Bunches

to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a ling time I suffered from indigestion, torpid liver, constipation nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at J. C. Perry's.

It requires a skillful surgeon to set a bone, but anyone can set an egg.

Rheumatism.

More than nine out of every ten cases of rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by all good druggists.

It is not best always to stay at home; an occasional change is good for everybody. Even the kitchen fire goes out occasionally.

Object to Strong Medicines.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine of of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by all good druggists.

Talk about the farmers having no influence; they are stirring up the entire country right now.
