In the matter of putting corduroy on the Cuttingsville and Highland road in district No. 39, the bid of John Shannon, of said road district was read. The board being fully advised, it was ordered by the board that said Shannon be given the contract to deliver said corduroy on the road for 75 cents per 1000, said corduroy to be laid by volunteer work.

Upon the written application of Sam Simon for a remission on part costs and penalties on tax sale of 1898 to county court of certain lots and blocks in South Oswego, the same is allowed and the clerk is ordered to allow him to redeem the property applied for described in the application upon payment of $35.

In the matter of the application of William Barlow, et al, for a county road. The petition filed by William Barlow and 12 other residents of Clackamas county in that vicinity, as described in the petition, praying for viewers to be appointed to view and locate a county road in Clackamas county, in pursuance of law, the board ordered Roadmaster Counsell to view and report upon the practicability of said proposed road at next meeting of the board, before appointing viewers thereon.

In the matter of road work in district No. 20. It is ordered by the board that Supervisor Hutcheson be allowed to use $20 on the Clarks and Highland road.

In the matter of a poll tax rebate for John McIntyre, a non-resident. It is ordered that a rebate be granted in the sum of $5

John McIntyre	$ 5 00

In the matter of the petition of G E Oglesby for a remission of part of taxes on property of minor heirs of his wife's estate. The board being fully advised in the premises, it is ordered that the petition be granted, and the clerk is ordered to cancel all said taxes of record assessed in the name of G E Oglesby for the sum of $30, said property being lots 1 and 2, blk 18, and fractional block 18, Talbert's addition to Marshfield.

In the matter of plank on the Molalla road. It is ordered by the board that the clerk be instructed to notify the Mulino Lumber Co, G S McCord, manager, not to deliver any more plank on the road.

In the matter of road work in district No 2, it is ordered by the board that the supervisor of said district be notified by the clerk to discontinue all road work.

In the matter of the s½ of se¼ and nw¼ se¼ of sec 18, tp 3 s, r 1 w, for taxes of 1898, said sale being illegal on account of a double assessment of said property, taxes on which had already been paid by the owner thereof, and the board being fully advised, it is ordered that $11 98, the sum paid at such illegal sale, be returned to the purchaser, P. H Marley.

P H Marley	$11 98

In the matter of the report of the roadmaster on the petition of W Brobst, et al for a county road I have examined the same and find a good location for a county road, and think the people would receive benefit all along the line of the proposed road and the board being fully advised, it is ordered that William Scott, Nelson McConnell and Loren Kruse be appointed viewers of damages to assess said damages, if any there be. Said viewers to meet at beginning point of said road on Wednesday, the 29th day of November, at 9 a. m. and after being duly sworn, that they will view said whole distance through the lands of the Alliance Trust Company, William McIntosh, and Calvin and Frank Kiser, and determine, if any, how much less valuable their lands would be rendered by reason of the location and opening of said road, and report the same in writing at the next regular meeting of this board.

In the matter of the roadmaster's report on petition to improve the Meadow Brook road. In the matter of the petition of Mr. Larkins and others for the improvement of the Meadow Brook road, I think best to postpone the work until spring as it is too late to do such work.
