FOR SALE—AUTOMOBILES.

USED CAR MERCHANDISING
at
COVEY MOTOR COMPANY.

Our used cars must be sold more rapidly. Our new car business can only be maintained by a rapid used-car turnover. These facts necessitate selling our used cars at a price and in a condition which will cause the public to buy them.

Our sales record, of 177 cars the last three months, proves we do this. The public is coming to realize that and to learn also that we do not misrepresent.

A complete list of our cars is always found in the Sunday papers.
