BARGAINS IN
REBUILT
AUTOMOBILES.

We completely renew, overhaul or rebuild Hudson and Essex automobiles. These are in the best of mechanical condition; they are also warranted the same as factories warrant new cars; in addition we give 90 days' free mechanical service.

Other makes of good automobiles thoroughly overhauled, put in first-class condition and sold with a ten days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

OUR BUSINESS IS GOOD.

OVER 80 USED CARS SOLD IN APRIL.

There is a reason. The public knows where to obtain the best values.

We carry at all times a large stock of most of the popular makes of cars. Some of these cars have been rebuilt, some are practically new, others have been repaired; a very few are strictly "as is" and will be sold at any reasonable price, after you have ascertained the true condition of the car.

We will not permit misrepresentations in this establishment. You will not find any used car is the equal of a new machine. We do insist, however, we give you the best value to be obtained in the city.

SHALL THESE FOLKS BE DEPRIVED OF GOOD READING?

Every day dozens of Portland folks call at the library for volumes which cannot be supplied.

There is scarcely a book for which all requests can be filled. Shakespeare is as much in demand as modern writers and non-fiction is gaining on fiction.

Obey that impulse! Give the library all the books you can spare. Leave them at the Central Library or at any of the branches.

Thank you!
