Coughs and Colds.—Wistar's Balsam of wild Cherry is just the remedy for a pure-minded, unprejudiced man, thoroughly acquainted with the Materia Medica, and well acquainted with the whole Materia Medica, and experienced in general practice, would recommend as the best possible remedy for the cure of Coughs, Colds, Asthma, Bronchitis and Consumption. This remedy contains the extraordinary medicinal virtues of wild Cherry and Tar, which are combined and embodied in their utmost power in this article. By a nice chemical process, everything deleterious or useless is rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of Pulmonary and Liver Diseases ever known to man.

Caution.—As there are many counterfeits, look well at the signature before purchasing; take none unless it has the name of "Sanford & Park" enrraved on the outside wrapper—all others are base imitations.

Caution!—Caution!—Beware of Counterfeits!—Hostetter's Bitters.—The public are aware that for some years past, Hostetter's Bitters have, by their intrinsic merit, as the best tonic of the present day, won a name and celebrity beyond any other compound of the like kind. The immense demand for Dr. Jos. Hostetter's Bitters met with, induced a number of persons to engage in counterfeiting them, by buying up the bottles, and filling them with a spurious and noxious compound. Also, several worthless preparations are gotten up in bottles like the genuine, with the word 'bitters' added to the name, with the design of being palmed off as the genuine Hostetter's Bitters, having a similar bottle and label, the direction, etc., taken off verbatim, save the omittance of Dr. J. Hostetter's name, and then making sales of the articles to saloon-keepers and others, at reduced prices, under the representation that they are the genuine article. Purchasers should always examine the bottle and see that it is covered with metallic caps, with the name of "Dr. J. Hostetter's Stomach Bitters, stamped on, and not with tin foil or wax, as is the case with the counterfeit article. The above name is also blown in the glass on one side of the bottle. Sold by the principle Drug gists and Saloons.

McMinville College.

The regular Summer term of this Institution, will commence on *Wednesday, June 24th, 1858*, and continue twenty-two weeks. The design of the institution is to teach young men to think independently and correctly. We aim at their real, intellectual and moral improvement. It is expected that all who repair to this place to spend a season of comparative retirement from the world, will have the design of the institution distinctly in view.

The Faculty of the College consists of the following persons:

Rev. Geo. E. Chandler, D. D., President and Professor of Moral and Intellectual Philosophy.
C. H. Matteson, Professor of Mathematics.
J. D. Post, M. A. M., Professor of the Latin and Greek languages.
J. A. Post, G. L. Boswell, } Teachers.

Brother Matteson travels during the Summer, after July 1st, for the purpose of securing an Endowment for the Institution; he will also take part as teacher at the commencement of the fall term.

Brother Post comes into the institution as soon as the Professorship is endowed.

Terms.—From $4 to $10 per quarter, according to the advancement of the pupil, to be paid in advance.

Board and other accommodations can be obtained at low rates. Books and Stationery furnished at the Institution.

It is desirable that all should commence at the beginning of the term if possible.

The College is located at McMinville, one of the most pleasant situations in Oregon, on the South Fork of the Yamhill river, about 4 miles from Lafayette, (the county seat,) and in the midst of an enterprising and religious community; and, it is thought, presents very superior accommodations for such as desire a thorough and useful education.
