## How Syracuse Woman Took Her Wrinkles Out in Three Nights

### After Massage and Beauty Specialists Had Failed

### "Made Me Look 20 Years Younger"

**Says Cincinnati Lady Who Tried It—"Now Past 40, But My Complexion is Smoother and Better Than in Girlhood," Writes a Kentucky Woman, Who Used This Wonderful Process for Removing Wrinkles.**

**The Discoverer Offers to Give Particulars Free of Charge to All Who Write Her Within Next Ten Days—Exact Promise of Secrecy. Treatment Very Simple and Absolutely Harmless—May Be Used Without the Knowledge of Your Most Intimate Friend.**

Ever since woman's beauty held sway over man and brought her power, influence and wealth, she has sought a way to stay the process of old age and banish deep lines and furrows from the brow.

Chemists, beauty doctors and skin specialists have for centuries past vainly tried to fathom the sealed secrets of nature, and find a way to keep the beauty of youth in a woman's face and form.

Harriett Meta was no exception to the general rule of women. Trouble and worry left her unsightly lines and marks upon her face. She saw the beauty of her youth giving way to the heavy imprints of coming age.

Her first resort was to facial massage, cold cream and steaming pots; the next to beauty specialists; but all in vain. The wrinkles seemed, if anything, to grow deeper and deeper. Massage even appeared to stretch the skin; more wrinkles came. She had spent all the money she could afford to spend; and was ready to give up in despair, when one day a friend made a happy suggestion.

This gave her a brilliant idea. She set to work on the thing herself, and after several months' hard labor and almost endless experimenting she succeeded in producing a wrinkle remover, entirely different from anything she had seen or heard of. She tried it on herself, and lo, and behold! it worked a wonderful transformation in a single night. She tried it a second night and her wrinkles were practically gone. A third night—three treatments in all—and her wrinkles had entirely disappeared and her skin was soft, clear, rosy and smooth.

Many others also have used this remarkable process with wonderful results.

Mrs. Moran Elmer, of New York city, writes: "Your treatment removed my wrinkles in one night." Mrs. Turnhant, of Seattle, Wash., says: "My wrinkles are all gone; words cannot express how grateful I feel to you for what your treatment has done for me." Mrs. A. M. Brooks, of Howe, Texas, writes: "Your treatment is the first I ever tried that really had the desired effect in banishing face lines. I am 68 years old and yet many say I do not look more than 45." Miss Gladys Desmond, the actress of Pittsburg, Pa., says: "Your treatment made my wrinkles disappear in one night. It is certainly a godsend to womankind. I tried cold cream, skin foods and various advertised wrinkle removers, but they all failed absolutely, and I confess I was very skeptical about your treatment, but in one night my skepticism had entirely vanished. When I looked at my face on the following morning and saw what a wonderful transformation had taken place, I was sure at last I had found the right thing."

In speaking of her discovery, Miss Meta says, "Yes, I know it sounds too good to be true, but really I do not thiuk removing wrinkles half so wonderful as the telephone. Before the telephone was invented, it appeared ridiculous to think of talking from New York to Chicago.

"Those who have used cold creams, etc., cannot understand how my treatment can act quickly. Yet, after all, it is very simple, and I wonder that someone did not discover the process long ago. My letters from patients tell the whole story. Here is one from a lady who says my treatment made her look twenty years younger, also letters from many others. I do not see how anyone can doubt in the face of such testimony as this. I tried cold creams, massage, etc., myself, without results, and I can thoroughly sympathize with those who have tried to get rid of wrinkles, and I am truly glad that I feel I can now offer womankind a surer and shorter way.

"I will give further particulars to all those who write me within the next ten days. I must exact a promise of secrecy from every one for my own protection before I give full information—you can use your treatment on yourself in your own family, but you must not tell what it is to outsiders.

"I guarantee my treatment will in no way injure your skin. On the contrary, it will give it a soft, velvety feeling, and greatly improve your complexion, as well as banish unsightly lines and wrinkles. It takes only a few minutes to use it.
