Civil Service in Porto Rico.

WASHINGTON, Feb. 12.—Civil Service Commissioner Cooley, who went to Porto Rico to co-operate with the insular authorities in the establishment of a general civil service system there, has returned to Washington. At the request of Governor Winthrop, Mr. Cooley drafted a bill applying the civil service system to approximately 1000 officers in the insular government. This bill is now before the Porto Rican Legislature, and Mr. Cooley believes it will be enacted into a law.
