Production of "Hereafter."

A new bogie has been created for Portland's amusement-lovers, and who neglects the opportunity of treading the rocky caverns of "Hereafter" will regret it to the end of time.

The weird atmosphere of satan's domains so engrosses the attention of visitors as they are escorted through the seemingly endless underground grottoes that quite unexpectedly do they enter the chamber of death. Here phantom actors vie with each other in mysterious entertainment, and chaos reigns supreme, to the great delight of all who visit "Hereafter."
