LOS ANGELES, Cal., June 11.—(Special.)—If the folks up in Portland care to pick a couple or three heroes out of the Giants, let them hang laurel on the brows of Bert Jones, Mike Mitchell and Bridegroom Larry McLean. As a sub-hero, Eddy Householder has some room on his chest for a medal or two, for he made a running one-hand catch of a long fly to left center that brought the big Sabbath crowd to their collective toes and a howl of delight from their throats, even if the home team did slip into the slough of defeat with a 4-to-1 game registered against them.

Mike Mitchell, the awkward initial guardian soaked one homer over the garden wall and garnered two abject singles. In the fourth inning Mike blew the ball out of the lot. It cleared the wet goods sign on the fence and faded from mortal view into Chutes Park and fell into the soul pound. Boston Baked Beans Bridegroom McLean ran him a close second in the swat-fest. Larry stood a great deal of good-natured chaffing from the fans. He smiled at the bride in the grandstand and lammed out two double-suckers, sending half of the Portland runs to his credit. The Giants pestered "Dolly" Gray for 14 hits, and each one of the burly giants took a hand in the pestering of Gray. Bert Jones had the Loo Loos haggard trying to locate his crooks, and the locals were lucky to get even one run, and this was due to a two-bagger by Spies and singles by Gray and Bernard. Portland will play a game here tomorrow.

FIGHT THIRTEEN INNINGS.

Seals and Commuters Do Not Score in the Morning Game.

SAN FRANCISCO, June 11.—In a long and hard fought pitcher's contest for thirteen innings, neither scoring a run in the morning and a shutout for San Francisco in the afternoon, was the form of today's two games.

In the afternoon contest Graham shut out the home team while Oakland batted Whalen hard in the first inning, which with poor field work by San Francisco gave Oakland three runs on three hits and Gochnauer's hit in the fourth. For the rest of the game Whalen held Oakland down to three hits. The scores:

SIWASHES MEET THE TIGERS

Thirteen Innings Necessary to Decide the Second Game.

TACOMA, June 11.—By playing a strong game all the way, Tacoma won today's double-header, thus taking five out of six of the series. In the morning game, Thomas and Miller pitched star ball, but the odds were against the latter, as slow fielding and an error were combined with Tacoma's hits, two scoring.

In the afternoon it took Tacoma 13 innings to win a hard-fought game. The locals had it until the ninth, when two hits and a base on balls gave Seattle opportunity to tie the score. Until the thirteenth both pitchers worked hard, but doubles by Sheehan and Nordyke scored the former and ended the battle. The scores:

Morning game—											R.	H.	E.
Seattle	0	0	0	0	0	0	0	0	0	—0	2	2	
Tacoma	0	0	0	1	0	0	1	0	1	*—3	5	2

NATIONAL LEAGUE.

St. Louis 6, Brooklyn 4.

ST. LOUIS, June 11.—St. Louis gained the victory over Brooklyn today on a base on balls, a single, two doubles and a triple by Burke. Thielman pitched an effective game except in the third inning, when his wild throws forced in a run. The attendance was 8100. The score: R. H. E.

St. Louis	6	7	2
Brooklyn	4	6	2

Batteries—Thielman and Grady; Strickett and Ritter. Umpire—Klem.

Philadelphia 6, Cincinnati 1.

CINCINNATI, June 11.—Today's game was played in the mud, with heavy rain falling until after 3 o'clock. Hahn was hit hard up to the fifth inning, when he retired in favor of Chech. Pittinger pitched a strong game. The attendance was 2100. The score: R. H. E.

Cincinnati	1	7	1
Philadelphia	6	14	1

Batteries—Hahn, Chech and Schiel; Pittinger and Dooin. Umpire—Johnstone.

Chicago 4, New York 0.

CHICAGO, June 11.—Ruelbach's great pitching, combined with clever fielding and three fast double plays shut New York out today. Only one of the visitors reached third. The attendance was 24,000. The score: R. H. E.

Chicago	4	8	1
New York	0	6	1

Batteries—Ruelbach and O'Neill; McGinnity, Wiltse and Bresnahan. Umpires—Bauswine and Emslie.

Oaks Defeat Schillers.

In a ball game that was cleverly played considering the conditions of the Vaughn-street grounds, the Oaks yesterday afternoon shut out the Schillers. Only seven innings were played, owing to the La Crosse game, which was to follow the ball game. A long slender flail-like youth with a wind-up delivery, much after the Chimmy de Whale's fashion and with a teasing slow ball that would make a Ham Iberg floater look like a cannon ball, pitched the Oaks to victory. Hunter's round the corner, dewdrop curves made the Schillers look like a lot of short fillers and when the Sabbath matinee closed, the score 2 to 0 was hung up.

The once "best diamond" in the Coast league was a sight to behold. It looked as if it had been struck by a Heppner cloudburst. The infield was a mass of mud balls and as rough as a newly ploughed field. In spite of this, however, both sides did some sharp fielding and but for the desire of the Schillers to heave the ball out of the inclosure, the errors were few. Riddle slid them over the pan for the cigarmakers and if he had been accorded better support, neither side would have scored. The score by innings follows:

Oaks	0	1	0	1	0	0	0	*—2
Schillers	0	0	0	0	0	0	0	—0

Batteries—Hunter and Slavin; Riddle and Schultz. Umpire—Rankin.

North Bend Heads the League.

MARSHFIELD, Or., June 11.—(Special.)—In the league baseball game today Coquille won on the home grounds from Bandon by a score of 10 to 7. The game on the Marshfield grounds was close and in doubt to the last of the ninth inning. North Bend won with three runs to two.

Marshfield lost by bad judgment, trying to steal bases in the eighth inning when they had two hits in succession and failed to tally. North Bend heads the league with this game.

Fort Stevens Wins First Game.

FORT STEVENS, Or., June 11.—(Special.)—In the first game of the Lower Columbia River League Fort Stevens defeated the A B Cs. of Astoria, by a score of 8 to 1. The features were the battery work of Hoover and Smith for Fort Stevens and all round work of the Fort Stevens team. Batteries—Stevens, Hoover and Smith; Astoria, Riten and Darling. Struck out—By Hoover, 12; by Riten, 1. Umpire—H. L. Steele.

Big Score at Forest Grove.

FOREST GROVE, Or., June 11.—(Special.)—The local baseball team was defeated today for the first time this season by the University Park team, of Portland. The home nine played a ragged game and allowed the visitors to roll up a score of 23 to 4.

Hood River Team Wins.

HOOD RIVER, Or., June 11.—An interesting game of baseball was played here today between the A. & L. team, of Portland, and the locals, resulting in a score of 2 to 0 in favor of the home team. Batteries—Osborn and Castner; Harnden and Simons.

Centralia Hustlers Defeated.

CENTRALIA, Wash., June 11.—(Special.)—The Centralia Hustlers were defeated today by the T. A. A. C., of Tacoma, by a score of 10 to 8. Batteries—Dixon and Siegle, Shriver; Clay and Phelps for Centralia.

Aberdeen Wins Two Games.

ABERDEEN, Wash., June 11.—(Special.)—Aberdeen defeated Olympia in Saturday's game, 6 to 1. "Chub" Philbrick, formerly of Hoquiam, and who came here recently from the Victoria, B. C., team, pitched for Aberdeen.

AMERICAN JOCKEY ON WINNER

Grand Prix at Long Champs Goes to Finasseur.

PARIS, June 11.—The Grand Prix of 140,000 was won easily at Long Champs today by Michael Ephrussis' Finasseur, with Nash Turner, the American jockey up. The betting was 7 to 2 against Finasseur. Nine horses ran.

The sport lost considerable interest owing to the breaking down of a number of prominent horses, but the great event, which virtually concludes the Paris racing season, attracted a brilliant assembly.

When President and Mrs. Loubet, escorted by several squadrons of Cuirassieurs, arrived in the enclosure just before the race, they found the stands occupied by the leaders of society, including most of the members of the diplomatic corps and of the Cabinet. Mr. McCormick, the American Ambassador, and Mrs. McCormick were present with a party.

President Loubet received an enthusiastic ovation all along the route to Long Champs, both going and returning. Enormous crowds lined the streets in order to watch the procession to and from the course.

BODY FOUND ON TRACK

Northern Pacific Train Supposed to Have Killed Colored Man.

The body of a colored man was found near the main line of the Northern Pacific tracks just beyond the confines of the Union Depot at 1:30 this morning. He was probably struck by the 11:45 eastbound train, but the report of the engineer of that train is not made at Portland, and he did not telegraph back news of such an accident. The body was badly mangled.

Chinese Woman Disappears.

Tong Sing, a Chinese woman, disappeared from a lodging on Alder street yesterday afternoon, and from threats she made at the Chinese Mission last night, it is feared that she has committed suicide by jumping into the river. She is only a little thing, scarcely four feet high, but was very determined to end her life.

PUT UP GOOD GAME

Shamrocks Play Brilliantly in Lacrosse Game.

BUT PORTLANDS WIN OUT

Contest at Recreation Park Is Lively One — Lynch, of Westminster, Enters Game and Gives Excellent Pointers.

Dan McNicholl wore a green shamrock under his jersey for luck in the lacrosse match between the Portlands and the Shamrocks, yesterday afternoon, at Recreation Park, Twenty-fourth and Vaughn streets, and, in consequence, at one time it looked as if the contest would end in a draw, so warmly did the Shamrocks respond to the spurt of their rivals. But ultimately the Portlands added another goal, after 14 minutes' hard play, and the match ended: Portlands, 5; Shamrocks, 4.

The weather was ideal for lacrosse and an interested crowd was present. An added attraction to the match was the presence of Lynch, of the famous Westminster Lacrosse Club, British Columbia, who is in the city at present on a visit, and he kindly agreed to don a Portland uniform and take care of first home. His superiority was soon apparent, for no sooner had the ball been separated from Wallace and Beckwith at the face-off than Lynch scored in one minute's time. Bully for Lynch—he is the best first home seen here. When the ball again started on its travels, McNicholl was peppered with two hot shots, but he saved, and Watson also did clever stick work in saving his goal. Beckwith secured the ball from a missed check and ran to Stewart, who blocked the play, and in a return run Lynch got the ball, scoring (this time in three minutes. His shooting was admirable, and he was not in the least bit flurried with rivals as busy about him as hornets. McDougall and Jennings figured well in the next play, but the Shamrocks got the ball, and Lawrence scored first for his side. Aided by Beckwith, who had a pretty run, Lawrence passed three players and scored. Two all.

In the general play, it should be remembered that there are star plays that don't appear in the score, because the players are defense men, who are not near the enemy's uprights. In this way fine work by Ken Campbell, McNicholl, Stewart, J. J. McDonell, Wallace, Hawes, Shaw and others counted. They either made goals possible or blocked the enemy's plays.

Ken Campbell is a find for Portland. His defense work is first-class, and his method is cool and steady. Wallace is one of the star runners in the lacrosse business, and he speeds and shoots like an Indian flyaway. Jennings puts an amazing amount of speed and courage into his attack, and he is there every time. So is Dan Hawes. Shaw puts up a good game, and is lucky smashing combination play. Both Bourgeois and Watson made good goaltenders. The play was so even that it will be necessary to have another meeting to settle the question of supremacy.

The line-up:

Portland.	Positions.	Shamrocks.
Bourgeois	G.	Wilson
J. J. McDonell	F.	Hyatt

SHELLS BRITISH SEAMEN

Italian Cruiser Umbria Over-Estimates Distance to Targets.

On two occasions the guns of the Italian cruiser Umbria, which is scheduled to visit Portland some time this month, have caused unexpected scares. A few days ago the Umbria was passing South Pender Island, British Columbia. Target practice was due, and the white survey marks put up by the hydrographic workers of H. M. S. Egeria looked good to the gunners.

A party of bluejackets from the Egeria were ashore, and the first thing they knew of the Umbria's presence was the arrival in camp of several shells from the cruiser. The Umbria steamed up and down, firing about 300 rounds. The distance to the marks was greatly over-estimated, and fully fifty shells struck the island. The civilians as well as the bluejackets dodged shells for half an hour, but fortunately no one was struck. While coming up the South American coast the Umbria fired a salute in one of the smaller ports. A gun charge was blown to the roof of the commandante and a blaze resulted which called the crew ashore. The Umbria refrained from salutes in South America after that.

The Italian residents of Portland are confident that the Umbria will call here before the end of June, Captain Corsi having written a promise to Vice Consul Candiani.

Captain Wright Remembered Here.

Captain George S. Wright, who died in San Francisco Saturday, is well remembered by local steamboat men. He was the son of a famous captain, and was interested in a number of pioneer steamers on the Pacific Coast, and was purser on the Brother Jonathan and other steamers. When steamboating on Puget Sound was at its height, he had an interest in several profit-paying boats. A steamer named for him was lost while in the Alaska trade with all on board. He retired several years ago, and engaged in mining in California. When he died at the Occidental Hotel, after a lingering illness, his wife and son and his brother, John T. Wright, the well-known Central American commission agent, were with him. He was 72 years old, and was born in New York City.

New Log-Towing Record.

SEATTLE, Wash., June 11.—(Special.)—The tug Tillicum, owned by the Stimson Mill Company, last night completed a record-breaking trip from Miller's Bay into Ballard. The tug towed a raft of logs in forty-two sections and three-fifths of a mile in length, without a single mishap. The distance of twelve miles required six hours to complete. Two years ago the tug Tyee attempted to bring a tow of forty sections into Port Blakeley, but lost all the logs off Marrowstone Point. In the Tillicum's tow were 2,100,000 feet, or sufficient logs to run the mill seven days.

Barkentine Sudden a Wreck.

SAN FRANCISCO, June 11.—The barkentine Robert Sudden, from Gray's Harbor for San Pedro, went aground on a sandbar near here this morning in a heavy fog. The crew has all come ashore. The vessel is breaking up and will probably be a total loss. Her cargo consisted of lumber, a portion of which will be saved.

Will Tow Bark to Eureka.

On her next trip north, the steamer Francis H. Leggett, which successfully towed the big log raft from the Columbia to San Francisco last week, will tow the bark Battle Abbey to Eureka. It is also probable that other rafts to be constructed by the Robertson Company at Stella, Wash., will be towed south by the Leggett.

Domestic and Foreign Ports.

ASTORIA, Or., June 11.—Arrived down at 8 A. M. and sailed at 3 P. M.—Steamer St. Paul, for San Francisco. Arrived in at 4 P. M.—Steamer W. H. Harrison, from Tillamook. Condition of the bar at 5 P. M., smooth; wind, northwest; weather, cloudy.

Eureka, Cal., June 11.—Sailed last night—Steamer Alliance, for Portland.

San Francisco, June 11.—Sailed—Steamer Sonoma, for Sydney; steamer Columbia, for Portland; steamer F. A. Kilburn, for Astoria. Arrived—Steamer G. C. Lindauer, from Gray's Harbor; schooner Rosamond, from Honolulu.

Women's Work in India.
