SPECIAL NOTICES.

Proposals Invited.

NOTICE IS HEREBY GIVEN that sealed bids will re received until February 12, 1918, at 9 o'clock A. M., at the office of the Board of Directors of the Talent Irrigation District at Talent, Oregon, for the purchase of six hundred thousand ($600,000.00) dollars in bonds of the Talent Irrigation District (a municipal corporation).

Said bonds are numbered consecutively, commencing with number 1 and following in numerical order, mature serially in annual amounts, so as to be approximately equal principal and interest, and shall be payable in gold coin of the United States of the present standard of weight and fineness or its equivalent.

The said bonds shall be dated January 1, 1918, and shall bear interest at six (6) per centum per annum, payable semi-annually on the first day of January and July of each year, and the principal and interest shall be payable at the office of the County Treasurer of Jackson County, Oregon, or at the fiscal agency of the state of Oregon, in New York City, state of New York, the places designated respectively in the bonds and coupons. Bonds shall be each of the denomination of not less than $100 nor more than $1000, and shall be signed by the president and secretary. The seal of the Board of Directors will be affixed thereto, and each bond will bear on the back thereof the registered certificate of the County Treasurer, who shall sign as Treasurer and as ex-officio Treasurer of the district. Coupons for interest will be attached to each bond, and will be signed with the engraved facsimile signature of the secretary. The County Treasurer, who is ex-officio treasurer of the district and the secretary of the district, will register the said bonds in books in their respective offices for that purpose, and therein will be stated the number, date, amount of bond, time and place of payment, rate of interest, number of coupons attached, and other description for future identification of each bond; the foregoing shall not be construed to provide that any bond of the district will bear the registered certificate by the secretary.

Each bid must be accompanied by a certificate payable to the County Treasurer of Jackson County, Oregon, for $12,000, to secure the district against any loss resulting from the failure of the bidder to comply with the terms of his bid. No interest will be allowed on said certified check, but if bid is accepted, said check will be credited as a first payment. The balance of the amount due will be payable and delivery made as follows: $288,000 within thirty (30) days from acceptance of bid, and $300,000 on July 1, 1918. Failure to make the payment of $288,000 as above provided, will forfeit said certified check to said district.

These bonds, based on a full examination of the district by the Oregon Irrigation Securities Commission, will be certified by the Secretary of State of the state of Oregon, as a legal investment for savings and commercial banks, trust and insurance companies, trust funds and state school funds, and are legally acceptable to secure deposits of state, county and city funds in Oregon banks.

These bonds are free from Federal income tax and declaration thereunder and exempt from all Oregon taxation. The appraised valuation of the irrigable acreage of the district is $1,085,780, and the assessable valuation $651,940. Purchasers must pay accrued interest to the date of delivery. The right is reserved to reject any and all bids.
