University Park

A building boom is now in progress at University Park. Houses are in heavy demand. Prices are advancing. Employment for laborers and mechanics is abundant. It is the bon ton residence portion of the whole peninsula. It has the Columbia University, Portland public schools, Bull Run water, electric lights, electric street-cars, in short, every thing necessary to build a great city. There will be a great city between the rivers and University Park will be its business and social center. Prices of lots $80 to $330 each, on easy installments. You have been reading advertisements of University Park and notice the advance from month to month. How much higher will you let these prices go before you buy?
