ARMY POSTS AND PATENTS

SUBJECTS TO COME BEFORE THE NATIONAL W. C. T. U.

Officers Said to Have Monopolized Exchanges, and Medicines Are Too Largely Alcoholic.

LOS ANGELES, Cal., Oct. 25.—Two subjects of consequence are slated for discussion and possibly radical action by the National Convention of the Women's Christian Temperance Union, which convenes in this city Friday next. These are the questions of the sale of patent medicines containing a high percentage of alcohol, and the matter of the alleged misuse of the "post exchanges" the name of army post substitutes for the canteen.

In the opinion of several leading women among the delegates the post exchange has not proved the success that was hoped for or intended. It is charged that at many Army posts the officers have appropriated the post exchange as a sort of officers' club, to the exclusion of the common soldier, causing dissatisfaction among the rank and file and producing wholly unsatisfactory conditions. The post exchange was originally urged by the Women's Christian Temperance Union as a substitute for the canteen, and a place where the common soldiers might secure recreation and amusement without the objectionable features of the canteen.

Mrs. Ella M. Thatcher, national superintendent of the work among soldiers is here to bring the matter before the convention and present resolutions calling for some radical action.

Mrs. Martha M. Allen, superintendent of the non-narcotic department, will lead the fight against the alcoholic patent medicines. The delegates are spending the time preliminary to the opening of the convention in visiting the various points of interest in and about Los Angeles.

Cracksmen's Labor Lost.

LOS ANGELES, Cal., Oct. 25.—The big safe in Stephens Bros', general merchandise store at Murphys, seven miles east of here, was blown open by cracksmen last night, but the robbers got nothing for their trouble as there was no coin in the safe.
