FRONT-STREET BLOCK SOLD

Thomas Papworth Pays $30,000 for Brick Between Oak and Pine.

Thomas Papworth yesterday purchased the three-story brick building occupied by the Roberts-Manning Company, on Front street, between Oak and Pine. The building was owned by R. B. Lamson and sold for $30,000. It occupies a single lot, and is one of the last pieces of Front-street property on the market. The sale was made by Goldsmith & Co.

R. B. Lamson has also concluded the sale of the property at the northeast corner of Tenth and Burnside streets to Isaac Swett. The sale is entered in the official transfers at a $1 valuation, but is understood to have involved about $20,000. A mortgage on it of $12,700 has been recorded, showing an instance of how the realty transfers in Portland are held down by the entrance of nominal valuations.

WEATHER CONDITIONS.

A thunderstorm occurred during the afternoon at Tonopah, Nev., but no rain attended it and none has fallen at any reporting station west of the Rocky Mountains for several days. The temperature rose 8 degrees to a maximum of 98 at Portland. Only two other days have been hotter this year, one being on July 3, when the maximum was 101 degrees and the other being July 2, when the maximum was 99.

High temperatures also prevail generally in the Pacific States. At Walla Walla the maximum was 102 degrees and it was equally as hot at Roseburg, while at Red Bluff, Cal., the maximum was 108 degrees.

The conditions are favorable for fair and continued warm weather Friday east of the Cascade Mountains, while in Western Oregon it will not be so warm.

TO THE WOMEN

Some women are just a trifle timid about going to a bank to transact business. And why? Simply because they are not familiar with the rules of banking.

This should not be so, and is not so with those who come to the
