6% IF YOU

Are willing to take another man's word for our method of doing business, you will continue to think he has told you the truth. Whereas if you will come direct to this company's office, secure the information you seek direct from its officers, you will see things in a different light. Something over 300 people have investigated our plan of safe, conservative investments during the past week, and have become our clients; consequently they will receive 6 per cent with tangible assets behind their investments in the future.

Come direct to our office for information.
