The state of Oregon is collecting thousands of dollars each year from the corporation tax—a tax that was initiated by the people. The big chaps are now trying to kill direct legislation, making their first assaults upon the primary law. The Argus will wager the primary and direct legislation will stand.

Senators Chamberlain and Bourne will make a try to place the Indian War veterans on the age limit pension rolls. The old Indian fighters should have this recognition for their services.

THERE HAD BEEN A CHANGE.

Topography Didn't Look Just Familiar, and He Inquired.

WHEN I got within five miles of where I thought Deep Valley, Ida., ought to be I met a man and a mule on the trail and asked if I was going in the right direction.

"Can't say you are," replied the stranger.

"You know the place, don't you?" I asked.

"I did know it."

"And you know Bear mountain, close by?"

"I did know it."

"Why do you say 'did?'" I queried. "You don't mean that Deep Valley or Bear mountain have run away, do you?"

"Oh, no, no! I jest mean that there has been a change over there."

"What sort of a change?"

"Well, Bear mountain has slid down and filled up Deep Valley, and if you are goin' over there to look for Hank Thompson you'll want a shovel and crowbar to dig down to him through a hundred feet of rocks and dirt."

An Anthem.

A sailor who had been to a church service, where he heard some fine music, was afterward descanting upon an anthem which had given him great pleasure.

A listening shipmate finally asked: "I say, Bill, what's a banthem?"

"What?" exclaimed Bill. "Do you mean to says you don't know what a banthem is?"

"Not me."

"Well, then, I'll tell yer. If I was to ask yer, ''Ere, Bill, give me that 'andspike,' that wouldn't be a banthem. But if I was to say, 'Bill, Bill, Bill, give, give, give me, give me that, Bill, give me, give me that 'and, give me that 'andspike, spike, spike. Bill, give me that, that 'and 'andspike, 'and, 'andspike, spike, spike, spike. Ahmen, ahmen, Bill, give me that 'andspike, spike. Ahmen!' why, that would be a banthem."

The Way.

As a south Jersey country physician was driving through a village he saw a man amusing a crowd with the antics of his trick dog. The doctor pulled up and said: "My dear man, how do you manage to train your dog that way? I can't teach mine a single trick." The man looked up, with a simple rustic look, and replied: "Well, you see, it's this way, you have to know more'n the dog or you can't learn him nothin'."

The Reverse Could Not Be True.

"I dreamed last night that there was a big fire back home that burned all the town and left my house standing."

"Well, dreams always go by contraries."
