The Swellest Residence Lots In America

At the head of Lovejoy street and the Cornell road there are four magnificent residence lots. This property will be worth twice what we are asking for it, before Christmas; we make this statement because adjoining property is not for sale at any price—so keen is the demand for residence property on Lovejoy street. The lots are much larger than ordinary; prices from $3900 to $5000; terms if desired.

We give an absolute clear title to this property and you are not hobbled up in any manner whatever. We also have 45.5 acres directly adjoining this acreage on the east and lying immediately on Vancouver carline. This whole piece is the cream of the Love Farm and there is positively no other property of its size that will equal it for platting purposes in the whole city. Best of terms. It won't last long. Twenty years' experience and the clientage we represent, is a sufficient guarantee that our methods are right. You may waste your valuable time in looking up the tract you want. Take advantage of the results of our own constant efforts along this line and get the best.
