The Servant Problem

HOW TO SOLVE IT

The maids usually leave when they are most wanted.

How many housewives have found this to be true—provoking and aggravating though it is.

But there is a remedy.

Just glance at the situation wanted column on the want page this morning, and you may have your choice of Portland's best serving maids.

If you cannot find one you want, just advertise, and you surely will, for everybody reads The Oregonian wants.
