1834 Farm Scene? Nope, 1934!

On many farms throughout the United States, depression and drouth-bit farmers have resorted to primitive methods to save expense. This Jefferson county, Ala., farmer is using oxen in a way remindful of the early days of agricultur.

"SHARP STOMACH PAINS UPSET MY WHOLE SYSTEM"
Says E. Hentges: "I tried a $1.00 bottle (3 weeks' treatment) of Dr. Emil's Adla Tablets under your guarantee. Now the pains are gone and I eat anything." The Delta Drug store.—Adv.

THE immediate and enthusiastic acceptance of the new Firestone Century Progress Tire started a tremendous wave of buying that is keeping the Firestone factories running twenty-four hours a day to meet this huge demand.

We knew that car owners would replace their thin-worn, dangerous tires if they could get what they wanted in a tire at the price they wanted to pay. We found the answer through ten million visitors to the Firestone Factory at the World's Fair last year. We asked them—"What do you value most in a tire?"—and their answer was — "Give us Blowout Protection, Non-Skid Safety, and Long Wear, at a moderate price."

Drive in to the Firestone Service Dealer or Service Store today! Equip your car with these new Firestone Century Progress Tires, with the massive flat tread, deep-cut, non-skid, broad husky shoulders, and Gum-Dipped cords. Tire prices probably never again will be as low as they are today. At these unusually low prices for *first grade* tires, we make it easy for you to buy not only one tire, but a complete set.

And Remember — with every tire you are protected by the new Firestone Triple Guarantee
—for Unequaled Performance Records
—for Life Against All Defects
—for 12 Months Against All Road Hazards*
(*Six Months in Commercial Service)
