BUSINESS CHANCES.

CONFIDENTIAL—A small bunch of promotion stock, strictly on the quiet to the right kind of people, in the biggest and best money-making proposition in the land, and you can still buy stock worth $5 on the spot at only 55 cents per share. Will surely be paying you royally in a very few months. This is positively and by all odds a little the rarest thing for snug income or to double up your reserve capital on that will be offered you again perhaps in a lifetime. Sales are progressing and stock is advancing, will advance again in a few days. You virtually make 2 per cent over night; place your order before the next rise; positively goes to $5 per share and up. This is a strictly straight forward, legitimate, industrial business proposition that at the present price of only 55 cents per share will make you more money than you ever dreamed of making with ten times the cash outlay. If you haven't at least a hundred on hand, don't ask particulars. For the present, address "Confidential," M 844, care Oregonian.
