FRIDAY.....MAY 6, 1870.

## PUBLIC SPEAKING.

THE LINN COUNTY DEMOCRATIC CANdidates will address the people at the following times and places:

| | | |
|---|---|---|
| Peoria | Wednesday, | May 25. |
| Harrisburgh | Thursday | " 26. |
| Brush Creek | Friday, | " 27. |
| Brownsville | Saturday, | " 28. |
| Nye's School House | Tuesday, | " 31. |
| Santiam Precint, at the usual place of voting | Wednesday, | June 1. |
| Scio | Thursday, | " 2. |
| Lebanon | Friday, | " 3. |
| Albany | Saturday, | " 4. |

Speaking to commence at 1 o'clock P. M.

The opposing candidates of the Republican party are invited to meet us and participate in discussion.

HO! FOR THE EXCURSION!—Our gallant Firemen are anticipating a huge time tomorrow. The municipal authorities of Corvallis have extended to the Company and their guests the hospitalities of that city, and those who were with the excursion of our firemen to Corvallis last year will understand that the people of that beautiful and public spirited municipality don't do things by halves. The magnificent steamer *Fanny Patton* will leave Albany at 7½ o'clock A. M; returning, will leave Corvallis at 2½ o'clock P. M. The excursionsists will be accompanied by the Albany Brass Band, and the Fire Company will take along their magnificent engine for the purpose of giving our hospitable Corvallis neighbors an opportunity to judge of its merits as a "squirtist." Tickets, for adults, 50 cents for the round trip; children under 12 years old, accompanied by their parents, free. The entire proceeds of the excursion is for the benefit of the Fire Company.

WHAT SILLY NONSENSE is that in which the enemies of A. C. Jones, Democratic candidate for County Clerk, are indulging, by circulating calumnies and innuendoes reflecting upon his moral and religious character—that he is a Mormon, etc.—all of which they know to be false and unfounded. Mr. Jones has been a resident of Linn and Polk counties since 1853, and stands as high as any citizen of Oregon as regards morality and honesty, and a head and shoulders above some of those who are attempting to traduce him. The people with whom he came to this country are in Linn county, and they, as well as all with whom he has done business or in any manner associated, speak in the highest terms of him as a gentleman of strict integrity and worthy of trust and confidence.

"THE RIVER OF THE WEST," by Mrs. Frances Fuller Victor, is an interesting and thrilling narrative of life and adventure in the Rocky Mountains and Oregon, embracing events in the life of mountain men and pioneers, with the early history of the Northwestern Slope—including an account of the fur traders, the Indian tribes, the overland immigration, the Oregon Missions and the tragic fate of the Rev. Dr. Whitman and family. It is an unusually readable and attractive book, especially and peculiarly adapted to the rising generation in this State, who ought, beyond all others, to be familiar with the history of their native or adopted State. Mr. E. B Pardom is sole agent, and we have no doubt will find ready sale for all the volumes he may offer. By all means read "The River of the West."

GONE EAST.—Rev. T. S. Kendall, of this county, started East on the last steamer, to attend the General Assembly of the United Presbyterian church, which assembles at Pittsburg on the 16th inst. Mr. K. is one of the early pioneers of Oregon, having crossed the plains in 1845—a quarter of a century ago; and this is his first visit to the home and scenes of his childhood.

Mr. David Smith, an old and respected resident of this county, started on last Tuesday for a visit to his friends in Missouri. He was accompanied by Mr. Sam'l Cooper, whom we mentioned last week as having determined to once more look upon his youthful haunts and early friends.

May they all have a pleasant visit and a safe return.

SPEAKING AT SCIO.—Hon. Geo. R. Helm will address the people on the political issues of the day, at Scio, on Saturday, May 14th.

John J. Whitney, Democratic candidate for County Judge of this county, will speak at Scio on to-morrow (Saturday).

Both of these gentlemen are able speakers, and the Democracy will delight to honor them. The atmosphere of May will be converted into that of August for all Radicals who may go hear them.

TEA.—Mr. J. Barrows has just received from the house of Phillips, Taber & Co., San Francisco, a large and curiously ornamented chest, and the chest is filled with the best tea we have ever tasted in Oregon, (and as a "tea-ist" we're a success). The entire DEMOCRAT family is indefinitely supplied with tea from that chest, and if any of our readers desire a nice cup of the beverege let them come down—with the "collaterals" to Mr. Barrows and he will accommodate them.

THAT FESTIVAL.—The Fair and Supper given by the ladies of the Congregational Church, last Friday night, was numerously attended and highly appreciated. The nett profits of the enterprise aggregated $145, which we understand will be appropriated to repairing the Congregational chapel. The editors of the DEMOCRAT return thanks to the lady managers for courtesies extended to them.

THE CANVASS.—Messrs. Slater and Wilson, opposing candidates for Congress, have completed the canvass east of the Cascade Mountains, and are now discussing the issues in the northern part of this valley. By reference to the list of appointments in today's paper it will be seen that these gentlemen will speak at the Court House in this city on Saturday, the 14th instant.

"SHOOT, LUKE!"—Our sportsmen should recollect that P. C. Harper & Co. have a limited supply of double-barreled shot-guns of excellent material and handsome manufacture; and they are selling them at a remarkably low figure. Call and look at them.

## A CARD FROM WM. M. SMITH.

*Editors Democrat:*

I understand that the enemies of Mr. A. C. Jones are attempting to make capital against him because of the manner in which he received the nomination. As I placed his name before the Convention, I desire to state some facts in regard to that matter.

Mr. Jones did not speak to me on the subject of the Clerkship after I came to the Convention, and I did not expect that he would be a candidate; he never authorized me to put his name in nomination, but after the Convention had cast three or four ballots for Clerk, I nominated him, on my own responsibility, believing that the presentation of his name would serve to unite the conflicting elements in the contest for that office. Mr. Jones' nomination was as fair as that of any other nominee of that Convention, and I believe almost every delegate in that body will bear me out in this statement.

WM. M. SMITH.

☞Our readers have observed that we rarely praise patent medicines, and that we advertise only the very best of them. But now, the remarkable recovery of Mrs. Rice, of Canastota, from her distressing and almost helpless scrofulous disease, which is known throughout the community, and unquestionably the effect of Ayer's Sarsaparilla, leads us to publish without reserve the remarkable efficacy of this medicine. We do this in the interest of the afflicted. Any remedy which can so effectually "raise one from the dead," should be universally known; and we wish it may be universally as successful as it has been in the case of Mrs. Rice.—[Daily Journal, Syracuse.

DEMOCRATIC SPEAKING.—Judge Stout, of Portland, is announced to speak in this city to-morrow night. Members of all political creeds are invited, and the ladies are particularly asked to grace the occasion with their presence. Judge Stout's well known ability as a public speaker is a sufficient guarantee that all who go to hear him will be happily and profitably entertained.

SABBATH SCHOOL PICNIC.—The Sand Ridge Sabbath School will have a May-Day Picnic on Washington's Butte, on Friday, the 27th inst. All Schools in Linn county are cordially invited. All will be expected to bring refreshment, and each school, if possible, to provide speakers and vocal music. Come, all who can, and let us make it a pleasant time for the little ones. D.

INJURED.—Jas. Mooney, living near Boston Mills, this county, was last Monday thrown from a wagon while his span of mules were running away, and the wagon wheels passed over the small of his back, injuring him very severely. He is now confined to his bed, but is slowly improving.

THE LITTLE CORPORAL FOR MAY comes in good time. Fresh as the flowers and bright as the spring time—full of good things for the children and all who love children. Great improvements are promised in the already charming Magazine. One dollar a year. Sewell & Miller, Chicago, Ill.

FIRE AT CORVALLIS.—We are informed that on Wednesday night the Brewery of Joseph Hunt at Corvallis was consumed by fire, and 1,500 gallons of beer and 1,000 bushels of barley destroyed. Insurance on the house, but none on the stock. We have no further particulars.

CAMPMEETING.—We are requested to announce that the Spiritualists' Association of Oregon will hold a campmeeting of their faith at Butteville, Marion county, in next month.

NEW RESIDENCE.—Mr. Geo. Humphrey, sen., has just completed the erection of a residence in Monteith's addition, this city.

TO LARRY MULLEN.—Compliments received and contents noted. Thanks.

REMEMBER.—You can have the DEMOCRAT until after election for twenty-five cents.

## Words of Weight for Wives and Mothers.

The superiority of HOSTETTER'S STOMACH BITTERS over all other tonics and correctives, as a remedy for dyspepsia, biliousness, nervous affections, and all complaints of the visceral organs, and as a preventative of malarious disorders, is proverbial; but perhaps it is not so generally known that the ingredients of this famous invigorant and alterative exercise a powerful and most beneficial influence in that numerous and distressing class of ailments, of which so many thousands of delicate women are the patient, uncomplaining victims. The special troubles of the sex, commencing with the dawn of womanhood, and extending over a period of from thirty to thirty-five years, are as readily and certainly relieved by the operation of this admirable vegetable preparation, as any of the complaints common to both sexes, for which it is recommended as a specific. The attention of mothers is invited to its balsamic effect in those peculiar cases of functional irregularity and irritation, which, when neglected or maltreated, destroy the health and shorten the lives of so many invalids. There is no need for the powerful and dangerous drugs too often resorted to in such cases. The mild tonic and restorative action of the BITTERS is all the assistance that nature requires in its struggle to overcome the difficulty, and a vast amount of suffering would be spared to the sex, if they placed implicit faith in this wholesome vegetable invigorant, corrective, and nervine, and discarded the pernicious nostrums advertised by ignorant and mercenary charlatans. n38w4.

## SHERIFF'S SALE.

NOTICE IS HEREBY GIVEN THAT BY virtue of an execution issued out of the Circuit Court of Linn county, Oregon, and to me directed and delivered in favor of E. F. Russell and L. Flinn, plaintiffs, and against Thomas W. Stewart, defendant, for the sum of $112,25 judgment and costs of suit, I have this 28th day of April, A. D. 1870, levied upon the following described real estate and all the appurtenances thereunto belonging or in anywise appertaining, to-wit:

The South half of the original land claim of Steven Stewart, deceased, the same being numbered on the maps and surveys of the United States, on file in the Land Office at Oregon City, Oregon, Not. No. 1601, Claim No. 59, in Township 10, South, Range 2, West, Linn county, Oregon—to the said south half of said Land Claim—containing 160 acres, more or less, together with the tenements, hereditaments and appurtenances thereto belonging, and on

*Monday, the 30th day of May,* 1870,

n38w4 Sheriff, Linn Co., Oregon.

## SPECIAL NOTICES.

Our friends in that vicinity will do well to make a note of this. v5n30y1

The subjoined correspondence sufficiently explains itself:

PORTLAND, Oregon, Nov. 15, 1869.

MESSRS. EVERSON & HAINES, Gen'l Agents New England Mutual Life Insurance Company, Boston:

*Gentlemen:*—On my own behalf and in the name of my orphan children, I beg to thank you, and through you the New England Mutual Life Insurance Company of Boston, for its munificence in paying me my terminated policy on the life of my husband. On the 21st January, 1869, misfortune compelled me to forego the payment of the last premium—which non-payment in any other company would have lost me my policy—but I am now overjoyed with the receipt of the amount of the policy (less the amount of the unpaid premium only), thanks to the equity of the Massachusetts Lapse Laws, that must bless many widows and their children. I recommend the New England Mutual to all who would provide against possible misfortune. I sincerely thank you again, gentlemen, for the payment, and also for your generous and gentlemanly assistance in the matter.

Respectfully, BETSEY MILLER.

PORTLAND, Oregon, Nov. 15, 1869.

MESSRS. EVERSON & HAINES, General Agents of the New England Mutual Life Insurance Company, of Boston:

*Gentlemen:*—Having taken a lively interest in the affairs of the large and destitute family, left by an old resident of this city, who died Aug. 2d, 1869, and who was insured in the New England Mutual Life Insurance Company, we take pleasure in making the following statement for the information of the public:

A. E. C. Miller was insured by ordinary Life Policy No. 13,054, bearing date January 21, 1863. He paid annual payments to January 21, 1868, inclusive. Since then nothing has been paid. He died Aug. 2, 1869, over eighteen months after last payment of premium, yet your company, working under the equitable Lapse Laws of Massachusetts, pays the widow and orphans the whole policy, deducting only the premium due; while in all other companies doing business here, about which we know anything, the policy would long since have been forfeited.

By the New England Mutual, the widow has been paid $4,650 50. This we consider munificent, more especially when we take into consideration that the family would not have received a cent from any other company doing business on this coast. This in our estimation is enough to recommend this company above all others. This is Equity, this is Mutuality. We, therefore, commend this company to the public, as the only company that has no forfeitures.

We herewith inclose you the acknowledgments of the widow. Respectfully yours, etc.,

CINCINNATI BILLS,
JACOB MAYER,
GEORGE H. FLANDERS,
M. SELLER.

OFFICE NEW ENGLAND MUTUAL LIFE INS. CO. No. 12 CARTER'S BUILDING, PORTLAND, Oregon, Nov. 16, 1869.

To Messrs. C. Bills, J. Myer, Geo. H. Flanders and M. Sellers:

*Gentlemen:*—Your favor of yesterday, inclosing "acknowledgments of Mrs. Milh r," is at hand. Please accept our thanks for the voluntary justice you have done the company we represent.

Yours Very Truly,

n15tf EVERSON & HAINES.

## ADVERTISEMENTS.

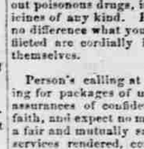
**TO THE UNFORTUNATE**

**NEW REMEDIES! NEW REMEDIES**

**DR. GIBBON'S DISPENSARY,**

623 Kearny St., corner Commercial, Private Entrance on Commercial st.,

**SAN FRANCISCO.**



ESTABLISHED IN 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhœa, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc.—Skin Diseases (of years' standing) and Ulcerated Legs successfully treated.

**Horrible Diseases.**

How many thousands of persons, both male and female, are there who are suffering out a miserable existence, from the effect of secret indulgences, or from virus absorbed into the system.—Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquiry, or you may fall into the hands of those charlatans.

**Seminal Weakness.**

Seminal emissions, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence of approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and eruptions about the face, furred tongue, fœted breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, the sufferer should apply immediately, either in person or by letter, to have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give $100 to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisc quacks.

**Married Men,**

Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibilities resting upon them, nor delay to obtain immediate relief.

**To the Ladies.**

The various complicated and distressing diseases incident to females, treated with eminent success—such as Suppressions, Irregularities, Whites, Falling of the Womb, Tumors, all Urinary Diseases, Nervous Debility, Painful or Difficult Menstruation, Barrenness, etc. will be speedily cured, without poisonous drugs, injuries, or unpalatable medicines of any kind. Have no delicacy in calling, no difference what your troubles may be. The afflicted are cordially invited to call and satisfy themselves.

Person's calling at Dr. Gibbon's office or sending for packages of medicine may rely upon his assurances of confidential secresy with implicit faith, and expect no more than to be charged with a fair and mutually satisfactory remuneration for services rendered, considering the circumstances and difficulties of the case, rather than a too prevalent and selfish practice of extortation among quacks and pretenders.

DR. GIBBON is responsible, and will give to each patient a written instrument binding himself to effect a radical and permanent cure or make no charge.

**Cured at Home.**

Persons at a distance can be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free of damage and curiosity, to any part of the country, with full and plain directions for use, by enclosing $10 in coin, in a registered letter, through the Postoffice on Wells, Fargo & Co. A package of medicine will be forwarded by express to any part of the Union.

Address DR. J. F. GIBBON,

Box 252, San Francisco, California.

Remember to put box 252 on the letter.

Consultation FREE.

☞Correspondents will please inform DR. GIBBON that they read his advertisement in the STATE RIGHTS DEMOCRAT.
