IF YOU know you could invest $10 per month for ten months and make ten thousand dollars, would you do it? That is what others have done and are doing. It is estimated that one hundred million dollars was made in the past year by small investors in Western Canada's growing commercial centers. You can get your share by investing as little as $10 per month. You take no risk, and the money you make is in the best and cleanest way possible—by assisting in the development of a new and vast western empire.
