Lebanon.

From the E. A.:

C. S. Green arrived here last Friday from Minnesota. He purchased the Weeks house, in the western part of town, some time ago, and has come to make his home in the same.

About 300 Lebanon people attended the speaking by Hon. Wm. J. Bryan in Albany Wednesday. There were four extra coaches besides the two regular passenger cars, and all were well filled.

Wm. Frolich has sold his farm near Crabtree, on which he has lived for twelve years, to Jas. Hart and Chas. Thompson. Mr. Frolich and family will soon remove to Kansas. He has been in Oregon for twenty-three years.

Misses Rice and Rucker, the two Lacomb girls who were reported to have been poisoned several weeks ago, have not yet recovered, and it is now the general belief that they were given some kind of "dope."

While Wm. J. Bryan, the eminent statesman, was speaking to 7,000 people in Albany on March 28th, Alma Morris sketched his profile from life and is making his pictures for sale. Price, 15 cents, or two for 25 cents. All pictures life size, with hat on or off. Send all orders to Alma Morris, Lebanon, Or., and they will be promptly filled.

Scio.

From the News:

A. M. Young expects to organize a camp of Modern Woodmen at Lyons the latter part of this week.

Almost all of Scio and a good portion of the citizens of the surrounding country, were at Albany on Wednesday to hear Bryan and attend the republican county convention.

The Oregon Telephone company are figuring a little on extending their line from this city up the Santiam as far as Berry or Detroit.

A. M. Young has been appointed district deputy organizer for the M. W. A., for the counties of Clatsop, Columbia Polk, Yamhill and Tillamook, and will begin work in these counties about the first of April.

This week closes the winter term of school under Prof. Wilson, and on Monday morning Prof. Geddis will assume control of the school and will teach a two month's term. The teachers in the two other rooms will remain the same, and Prof. Geddis will be retained to teach next winter, if arrangements now made are not changed between that time. Prof. Wilson has had good success with the school, and has labored under many disadvantages. He is in poor health, and it was this fact that led the directors to think that a change was necessary.

CATARRH OF THE STOMACH

Is a chronic disease. There is an inflammation of the inner coating of the stomach. A thick, ropy mucus forms and this causes the more pronounced symptoms. It remains in the stomach and decomposes. Then, of course, digestion cannot be properly performed. The great vegetable remedy HUDYAN never fails to effect a cure. HUDYAN can be had of all druggists for 50c. per package. Study your symptoms carefully from this chart. Each number represents a symptom or a group of symptoms. You have the symptoms. Use HUDYAN and they will disappear.

THE SYMPTOMS ARE:

1. BILIOUS HEADACHE. This is more pronounced in the morning HUDYAN will relieve the headache.

2-3. RED AND WATERY EYES. HUDYAN will cause the redness to disappear and make the eyes assume their normal, healthy appearance.

4. COATED TONGUE AND FOETID BREATH AND BAD TASTE IN THE MOUTH. HUDYAN will clear the tongue, make the breath pure and sweet and cause the bad taste to disappear.

5. PAIN AND TENDERNESS IN THE STOMACH. This is due to indigestion. HUDYAN will cause the food to become perfectly digested and the pain and tenderness will disappear.

6. ENLARGEMENT OF THE LIVER. HUDYAN will lessen the congestion and reduce the enlarged liver to its normal size.

HUDYAN will relieve you of the above symptoms and make you well. Do not delay.

Go to your druggist at once and procure a package of HUDYAN for 50c. or 6 for $2.50. If your druggist does not keep it, send direct to the HUDYAN REMEDY COMPANY, San Francisco, Cal., and they will send it to you. You can consult the great HUDYAN DOCTORS FREE. Do not forget that. Call and see them if you wish. You may call and see them, or write, as you desire. Address

A widow sixty-eight years old, living in New York City, had been deaf for nine years. She was constantly troubled with pains on her right side, which seemed to be seated in the liver. Up to last June she had been treated by a number of physicians, one of whom stated that she had catarrh of the stomach; another stated that it was ordinary dyspepsia, and still another pronounced it biliary colicrisis, or gall stones, for which he treated her several months without good results. At times the pains were so severe that hypodermic injections of morphine were resorted to. The patient weighed 109 pounds; was completely run down, and had very little appetite. Early in June a neighbor induced her to try Ripans Tabules. After using them two weeks the pains and bloating of the stomach and colic ceased and pains entirely disappeared. The patient had practically recovered by September 15th. She had gained eleven pounds, and could eat baked beans, among other dishes, without ill results.

WANTED—A case of bad health that RIPANS will not benefit. Send five cents to Ripans Chemical Co., No. 10 Spruce Street, New York, for 10 samples and 1,000 testimonials. RIPANS, 10 for 5 cents, or 12 packets for 48 cents, may be had of all druggists who are willing to sell a standard medicine at a moderate price.
