WHY WILL YOU BE SICK!

It is strange that so many persons will suffer for years with disease, when they can be so readily cured.

DR. A. BALL

has been established in San Francisco for ten years, and, during that period has not failed to effect a cure in a single case that he has undertaken.

Dr. Ball, after a study of forty years, has succeeded in compounding a medicine of purely vegetable preparation, that will cure the worst cases Gonorrhœa, Gleet, Stricture, Syphilis, Impotency, Skin diseases, and all complaints arising from immoral practices in less time than by any other known process, without injury to the system.

Dr. Ball's Ladies Relief, for the radical cure of Weakness and Irregularities, to which so many ladies of the Pacific coast are subject, owing principaly to the peculiarities of the climate, is the best preparation yet discovered by the Medical Faculty, as thousands that have used it can bear testimony.

Dr. Ball is no Quack, he is a regularly educated physician of forty years standing, and has testimonials which he would be pleased to show to those who may wish to see it.

Persons living at a certain distance, and sending a description of their complaint, can have their medicines put up in a package and sent by mail or express, in such a manner as not only to secure safety in transit, but so that no person would suspect what are the contents.

References sent by mail to those who may wish to inquire as to the Doctor's ability before placing themselves in his charge.

Address A. Ball, M. D., 617, Commercial street, opposite U. S. Branch Mint, San Francisco Cal.

Consultations, either personal or by letter, FREE. Jy30m3

WHAT KILLED HIM?

Dr. Hall, in his "Journal of Health," speaking of the death of Washington Irving asks the above question, and adds: "He might well have remained with us for years to come, had it not been for advice kindly intended, no doubt, but given in thoughtlessness and reckless ignorance.

HE HAD A COLD!

which, by some injudicious prescription, had been converted into an asthma. Who gave that prescription, or what it was, the outside world may never know." Let me say to Dr. Hall, that that 'prescription' was not

Newell's Pulmonary Syrup,

for that is an article that does not engender heart disease, nor is it productive of any asthmatic affections. On the contrary, it will cure such affections; and as for

COUGHS AND COLDS,

the world never saw a better remedy, and never will, until Nature presents some new ingredient out of which to prepare it. Don't be afraid to use it freely. Every article in it is from Nature's own Laboratory—the same to-day as they were a thousand years ago—all calculated to soothe, heal and strengthen. There is no

Better Family Medicine!

Keep it in the house, use it freely, give it to your children upon the slightest indication of a cold, and you will think and speak of it as all do that have become acquainted with its merits.
