Republican National Platform adopted at Chicago, May 21st, 1868.

1st. We congratulate the country on the assured success of the Reconstruction Policy of Congress as evidenced by the adoption in a majority of the States lately in rebellion, of Constitutions securing equal, civil and political rights to all, and we regard it as the duty of the government to sustain these Constitutions, and prevent the people of such States from being remitted to a state of anarchy or military rule.

2d. The guarantee by Congress of equal suffrage to all loyal men in the South, was demanded by every consideration of public safety, gratitude and justice and must be maintained; while the question of suffrage in all loyal States properly belongs to those States.

3d. We denounce all forms of repudiation as a national crime, and national honor requires the payment of the public indebtedness in the utmost good faith to our creditors at home and abroad, not only according to the letter, but spirit of the laws under which it was contracted.

4th. It is due to the labor of the nation that taxation should be equalized and reduced as the national faith will permit.

5th. The national debt, contracted as it has been for the preservation of the Union for all time to come, should be extended over a fair period, and it is our duty to reduce the rate of interest thereon whenever it can be honestly done.

6th. That the best policy to diminish our burden of debt is so to improve our credit that capitalists will seek to lend money at lower rates of interest than we now pay and must continue to pay so long as repudiation, partial or total, open or covert, is threatened or suspected.

7th. The Government of the United States should be administered with the strictest economy. The corruptions which have been so shamefully nursed and fostered by Andrew Johnson, call loudly for reform.

8th. We profoundly deplore the untimely and tragic death of Abraham Lincoln, and regret the succession of Andrew Johnson to the Presidential Chair, who has acted treacherously to the people who elected him and the cause he was pledged to support; who has usurped high legislative and judicial functions, has refused to execute the laws, has used his high office to induce other officers to violate the laws, has employed his Executive power to render insecure the lives, property, peace and liberty of citizens, has abused the pardoning power, has denounced the National Legislature as unconstitutional, has persistently and habitually resisted by every means in his power, every attempt at the reconstruction of the States lately in rebellion, has perverted public patronage into an engine for wholesale corruption, has justly been impeached for high crimes and misdemeanors, and has been pronounced guilty thereof by the votes of 35 Senators.

9th. The doctrine of Great Britain and other European powers that, when a man is once a subject he is always so, must be resisted at every hazard by the United States as a relic of feudal times not authorized by the law of nations and at war with our national honor and independence. Naturalized citizens are entitled to be protected in all their rights of citizenship as though they were native born. No citizen of the United States or naturalized must be liable to arrest or imprisonment by any foreign power for acts done or words spoken in this country, and if so arrested and imprisoned, it is the duty of the Government to interfere in his behalf.

10th. Of all who were faithful in the trials of the late war, there were none more faithful for special honor than the brave soldiers and seamen who endured hardships of camp and cruize and imperited their lives in the service of their country. The bounties and pensions appropriated by law for these brave defenders of the Union, are obligations never to be forgotten. The widows and orphans of the gallant dead are wards of the people, a sacred legacy bequeathed to the United States for protecting care.

11th. Foreign immigration in the past has added so much to the wealth and increased resources of this nation, the asylum of all nations that it should be fostered by a liberal and just policy.

12th. The Convention declares its sympathy with all oppressed people who are struggling for their rights.

The following additional resolutions were offered by Mr. Thompson, and adopted:

Resolved, That the adjournment of this Convention shall not work dissolution of the same, but it shall remain as organized, subject to be called together at any time or place that the Republican Executive Committee shall designate.

By Carl Shutz: *Resolved*, We highly commend in a spirit of magnanimity and forgiveness the men who have served in the rebellion and who are now frankly and honestly cooperating with us in restoring peace to the country and in the reconstruction of the Southern States on the basis of impartial justice and equal rights, and are received back into the communion of loyal people, and that we are in favor of the removal of the disqualifications or restrictions imposed on the late rebels in the same measure as the spirit of disloyalty disappears, as may be consistent with the safety of loyal people.

Resolved, That we recognize the great principles laid down in the Declaration of Independence, as the true foundation of Democratic government, and we hail with gladness every effort towards making those principles the living reality on every inch of American soil.

HELMBOLD'S BUCHU!

THE ONLY KNOWN REMEDY

FOR

DIABETES

IRRITATION OF THE NECK OF THE BLADDER, INFLAMATION OF THE KIDNEYS, CATARH OF THE BLADDER, STRANGURY OR PAINFUL URINATING.

FOR these diseases, it is truly a soverign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent sumptoms.

PHYSICIANS, AND OTHERS

PLEASE NOTICE.

I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubebs and Juniper berries, selected with great care, prepared in vacuo according to the rules of

PHARMACY AND CHEMISTRY;

These ingredients are known as the most valuable Diuretics afforded.

A DIURETIC

Is that which acts upon the kidneys.

HELMBOLD'S EXTRACT BUCHU

ACTS GENTLY.

Is pleasant in taste and odor, free from all injurious properties, and immediate in its action.

FOR THE SATISFACTION OF ALL

See Medical Properties contained in Dispensatory of the U. S., of which the following is a correct copy:

"BUCHU. Its odor is strong, diffusive, and somewhat aromatic, its taste bitterish, and analogous to that of mint. It is given chiefly in complaints of the urinary organs, such as Gravel, Chronic Catarrh of the Bladder, morbid irritation of the Bladder and Urethra, diseases of the Prostate, and Retention or Incontinence of the Urine, from the loss of tone in the parts concerned in its evacuation. It has also been recommended in Dyspepsia, Chronic Rheumatism, Cutaneous affections, and Dropsy."

[Dr. Keyser is a physician of over thirty year's experience, and a graduate of the Jefferson Medical College and of the University of Medicine and Surgery of Philadelphia.]

MR. H. T. HELMBOLD—*Dear Sir*: In regard to the question asked me as to my opinion about Buchu, I would say that I have used and sold the article in various forms for the past thirty years. I do not think there is any form or preparation of it I have not used or known to be used, in the various diseases where such medicate agent would be indicated.

You are aware, as well as myself, that it has been extensively employed in the various diseases of the bladder and kidneys, and the reputation it has acquired, in my judgment, is warranted by the facts.

I have seen and used, as before stated, every form of Buchu—the powdered leaves, the simple decoction, tincture fluid extracts; and I am not cognizant of any preparation of that plant at all equal to yours. Eighteen years experience ought, I think, to give me the right to judge of its merits, and without prejudice or partiality, I give yours precedence over all others.

I value your Buchu for its effects on patients. I have cured with it, and seen cured with it, more diseases of the bladder and kidneys than I have ever seen cured with any other Buchu, or any other proprietary compound of whatever name.

Respectfully yours, &c.,

I am acquainted with H. T. Helmbold. He occupied the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise—WM. WEIGHTMAN, (firm of Powers & Weightman.) Manufacturing Chemists, Ninth and Brown Sts., Philadelphia.

The proprietor has been induced to make this statement, from the fact that his remedies, although advertised, are

and knowing that the intelligent refrain from using anything pertaining to Quackery, or the patent medicine order—most of which are prepared by self-styled doctors, who are too ignorant to read a physician's simplest prescription, much less to prepare Pharamaceutical preparations.

These Parties Resort

To various means of effecting sales, such as copying parts of advertisements of popular remedies and finishing with certificates. The Science of Medicine stands simple, pure, majestic, having fact for its basis, Induction for its pillar, and Truth alone for its capital.

A Word of Caution.

Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to others besides the manufacturer.

FRENCH MEDICAL OFFICE.

DR. JULIAN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, Northeast corner Montgomery and Sacramento streets, San Francisco. Rooms No 9, 10, 11, first door, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterrility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterwards; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that the Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, and he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venerial disease in any stage, Gonorrhea, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regular educated practitioner. The best reference given if required.

Patients suffering under chronic disease, can call and examine for themselves. We invite investigation; claim not to know everything nor to cure everybod, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged to call upon us.

LOW CHARGES AND QUICK CURES.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

DR. PERRAULT is the only agent in California for DR. RICH'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 573, P. O., San Francisco, stating the case minutely as possible, general habits of living, occupation, etc., etc.

PACIFIC

BUSINESS

COLLEGE,

MECHANIC'S INSTITUTE,

POST STREET,

Between Montgomery & Kearny,

SAN FRANCISCO.

The importance of a thorough and practical business training for those who contemplate entering the mercantile profession, is too well known to require much comment. Without such knowledge, the young merchant will become involved in many embarrassments which might otherwise be avoided. The youthful aspirant will find himself surrounded by inextricable difficulties, both in seeking a situation, and in the discharge of its duties after employment is obtained. To have received instruction at a mercantile college, endorsed by the leading merchants of the city, is more effective in winning the favor and confidence of a business firm, than all the letters of introduction which friends can give. The

PACIFIC BUSINESS COLLEGE

maintains a reputation for thoroughness and systematic training, far surpassing that of any other similar institution on the Pacific coast. Most of the leading merchants of this city have employed graduates from this College, and bear testimony to the practical efficiency of the course here prescribed. The system of actual practice embraces all the varied operations of real business. A LADIES' DEPARTMENT has lately been added to this popular institute. This spirit of enterprise cannot fail to draw forth the well-wishes of the public.

Address for all information,

VINSONHALER & DELAGUNA.

A CARD.

We, the undersigned, merchants and business men of San Francisco, California, are at the present time employing men who have completed the prescribed course of study at the Pacific Business College, and we take pleasure in stating that we have found them well posted in accountantship and the general principles of business, showing conclusively that they have been subject to a thorough drill in those important matters, by experienced and competent instructors.

We cheerfully recommend the College as being in our opinion, an institution of intrinsic merit, and well worthy of the confidence and support of the community.
