THE OREGON SENTINEL.

SATURDAY MORNING, Dec. 23, 1871.

Brevities.

Cholera is raging fearfully at Delhi, India, and the number of deaths is frightful.

The average price of lumber in Chicago is $20 per M. The devastation of the northern pineries will render the supply short for the coming year.

Connolly, Tammany thief, at last accounts, was beginning to despair of getting bail, and would see none out his intimate friends. It is said that he will shortly make a full confession of all the transactions of the Ring.

Three thousand pianos were destroyed in the fire at Chicago. The engines could not play on them.

A pedant being taken to task for saying that Cesar founded Rome, retorted; "I tell you he did found it; he found it in Italy."

A rural exchange pithily remarks: "You can't eat enough in a week to last you a year, and you can't advertise on that plan either."

Curran was once asked by one of his brother Judges, "Do you see anything ridiculous in this wig?" "Nothing but the head."

"Pa, what can I do unless you get me a riding habit up here in the country?" "Get into the habit of walking, my dear."

It is said the light of a match will frighten a wolf, but a love match sometimes fails to keep the wolf from the door.

A worthy minister in Indiana, who has been land speculating recently, announced to his congregation that his text would be found in "St. Paul's epistle to the Corinthians, section four, range three, west."

A New York belle, who was purchasing some gloves, told the clerk she wanted them of a "subdued mouse color." The clerk said they were all out of that shade, but suggested "infuriated rat" as a substitute. He was discharged.

JOHN BILGER,

California Street (between Oregon and Third) Jacksonville.

DEALER AND WORKER IN

THE UNK WEED REMEDY,

OR

Oregon Rheumatic Cure.

HISTORY.—This remedy is composed of the active principle of the Unk Weed, Eng.—Thaspium Cordatare Originis, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington county.

PROPERTIES, &c.—It contains an *active volatile* principle, extracted by ether, and a bitter *tonic* principle, soluble in alcohol.

MEDICAL PROPERTIES AND USES.—It is the most sure and speedy cure for *Rheumatism, Rheumatic Gout, and Rheumatic Pains* of all kinds that was ever introduced into the Materia Medica. The *Unk Weed Remedy*, as prepared by us in consequence of the existing bitter principle, possesses the necessary virtue of being a *powerful tonic, promoting the appetite and invigorating the whole digestive apparatus, thus building up and strengthening the system*, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the rheumatic poison, removing it from the circulation and system.

There are a few remedies known to the Medical Profession which will remove the *Rheumatic Poison* from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before specific effects are obtainable. Unlike these medicines, already known, the UNK WEED REMEDY, though producing as powerful and as active effects on the blood and system in removing the *rheumatic poison*, also possesses a strong *tonic* and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these *two necessary elements in one remedy*, which accounts for its *superior and never failing* curative effects in

Rheumatism, Rheumatic Gout,
and Rheumatic Pains of all kinds.

We are aware of the fact that it is generally an easy matter to procure certificates attesting the efficacy of patent remedies from a certain class of those who use them. We have selected the following because the *names attached to them* are those of men of the *most careful and scrupulous character*, and because the large class of their acquaintances in Oregon will not, for a moment, accuse or suspect them of any exaggeration in the statements they make.

Remarkable cure of Mrs. Hoover, wife of Hon. Jacob Hoover, ex-Treasurer of Washington county, Oregon.

Tualatin Plains, Washington Co., Oregon, July 22, 1871.

A. M. Loryea & Co.—I have been troubled with Rheumatism for the past *twelve years*; my joints, especially those of my feet and hands, were badly swollen, so that I could with difficulty go around. My shoulder pained me a great deal and a large bony swelling grew out, so that I could not raise my hand to my head.

Since last Spring I have been taken your "Unk Weed Remedy," and find myself much improved. The swelling and pain have left my joints and shoulder and *the bony growth has entirely disappeared* and I use my limbs and am far better than I have been for years.

M. HOOVER.

Certificate of the Deputy Jailer of Multnomah County Jail:

City Jail, Portland, Oregon, June 7, 1871.

A. M. Loryea & Co.—I was attacked with a severe case of rheumatism. It was in my thighs, hips, fingers, shoulder blade—indeed in all the joints of my body I suffered great pains and anguish. I was attended by a regular physician, but with no effect. I was induced to try your Unk Weed Remedy, and it immediately cured me up. I consider it, from my experience, the best remedy for rheumatism known.

A. F. TURNER, Deputy Jailer.

This is to certify that the above statement is correct to my own knowledge.

JOHN P. WARD, Jailer.

Certificate of A. R. Shipley, Esq., special contributor to the *Willamette Farmer*, and Secretary of the Oregon Horticultural Society;

Oswego, Oregon, March 28, 1871.

A. M. Loryea & Co.—Some four weeks ago I was entirely prostrated with rheumatism; in fact I was almost helpless. I sent to you for one 10-ounce bottle of the "Unk Weed Remedy," by the use of which I experienced almost immediate relief, and by the time the bottle was gone the rheumatism was gone. From my own experience, and from what I have heard others say who have used the Unk Weed, I believe it to be a certain cure for the rheumatism.

Yours respectfully, A. R. SHIPLEY.

Certificate from Hon. A. J. Dufur, ex-President of the Oregon State Agricultural Society, and author of "Statistics of Oregon:"

East Portland, April 1, 1871.

A. M. Loryea & Co.—I was afflicted with a severe attack of chronic rheumatism; was confined to my bed most of the time from January to July, when I used the Unk Weed and it cured me up. A. J. DUFUR.

Certificate from Hon. Gideon Tibbets, a member of the City Council of East Portland:

East Portland, April 7, 1871.

A. M. Loryea & Co.—Gents: This is to inform you that I have used your "Unk Weed" for neuralgia and rheumatic pains, and found relief from the use of only one bottle, and can recommend it to those in need of such a remedy. Yours, GIDEON TIBBETTS.

Certificate from James Bybee, the celebrated stock grower, and "King of the Oregon Turf:"

Sauvie's Island, January 14, 1871.

A. M. Loryea & Co.—This is to acknowledge the efficacy of your "Unk Weed Remedy, or Oregon Rheumatic Cure." I was afflicted for months with a very severe attack of the inflammatory rheumatism, and tried nearly all of the so-called rheumatic remedies without any relief perceivable. I then tried your remedy, and its use resulted in the most happy effects—a perfect cure.

Truly yours, JAMES BYBEE.

Certificate from Hon. E. L. Quimby, ex-County Commissioner of Multnomah County, Oregon:

East Portland, April 1, 1871.

A. M. Loryea & Co.—I have used the "Unk Weed Remedy," and am satisfied it is a valuable medicine. It regulates and invigorates the system. This is my experience with the remedy.

Truly yours, E. L. QUIMBY.

Certificate from the well-known merchant, O. W. Weaver, Esq.:

The Dalles, May 23, 1871.

A. M. Loryea & Co.—I have used the "Unk Weed Remedy," and can cheerfully recommend it to persons afflicted with inflammatory rheumatism. It cured me of all that disease. My hands, wrists, ankles—indeed, all my joints—were swollen and very painful. O. W. WEAVER.

Certificate from Hon. N. H. Lane, Pilot Commissioner, of Oregon, and a member of the City Council of East Portland:

East Portland, April 19, 1871.

A. M. Loryea & Co.—I have been afflicted for several years past with "weakness in the back," and wandering rheumatic pains, accompanied by "severe constipation." By the use of one bottle of your Unk Weed Remedy or Oregon Rheumatic Cure, I have been entirely relieved, and I cheerfully recommend it as a most valuable and effective remedy.

Put up in 10-ounce bottles,

At $2 00 per Bottle.

GREAT NATURAL DISCOVERY
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS
Hundreds of Thousands
Bear testimony to their Wonderful Curative Effects.
WHAT ARE THEY?

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful stimulant to relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR 3 [illegible] THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worm, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

TAPE WORMS, for many in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

PACIFIC UNIVERSITY,
FOREST GROVE, - - - OREGON.

Rev. S. H. Marsh, D. D......President and Prof. of Intellectual Philosophy
Rev. H. Lyman, A. M......Prof. of Mathematics
Geo. H. Collier, A. M., Prof. of Natural Science
Jos. W. Marsh, A. M. Prof. of Latin and Greek
A. J. Anderson, A. M......Principal of Academy
Miss P. A. Wing.....Preceptress
Miss O. A. Haskell.....Teacher of Music

There are four courses of study, to meet the want of all who have advanced beyond the completion of an English education.

The next term begins September 1, 1871.

The completion of the Willamette Valley Railroad to Forest Grove, will soon make the Institution accessable from all parts of the Valley.

The location is beautiful and salubrious. Saloons are excluded by provisions in the deeds which give title to the lands.

The Apparatus and the collections in the department of Natural History are considerable and are constantly increasing.

The Library numbers about 5,000 volumes.

To meet a long felt necessity, the President, by an enlargement of his house, has made provision for boarding young ladies.

Board, including furnished rooms, fuel and lights, $60 per term, of 13 weeks.

Tuition from $24 to $32 per year.

Young men can board themselves, or obtain board at from $3 to $4 per week.

For particulars address the President.
